

Date: Wednesday, May 11th,
2011

Time: 6:00pm-7:00pm

*Hoffman Estates High School and
Spectrum Youth & Family Services*
★ Proudly Present:

*“Teens & Technology”** ★
by Julie DeFalco, L.C.S.W.

There have been numerous advances in technology over the past twenty years. This presentation will address how teens use technology (specifically the internet, facebook and texting) and what parents should be aware of to help ensure that their teens use technology in ways that are safe and beneficial.

*Presentación será en Ingles con traducción en español

*Please RSVP with
Rafael Mezo at 847-
755-5669 by Monday,
May 9th. Childcare will
be provided.*

★ *The presentation will
begin exactly at
6:00 p.m. in
Room 152.*
