65 Years of Life-Long Learning

Blues guitarist B.B. King once said, “The beautiful thing about learning is that no one can take it away from you.” Learning and discovering new things is an ongoing, life-long endeavor. This year, Township High School District 211 is entering its 65th year of providing life-long educational opportunities for our adult population. One of the goals in District 211 is to maximize the use of facilities. By offering evening courses, the District is expanding the use of classroom and recreational facilities for residents. We continue to offer courses that are interesting, rewarding, and challenging to all adults 18 years of age and older. This fall, we have added new courses in the areas of bereavement education, business and careers, iPad usage, photo file management, CNC woodworking, and many others.

The District 211 Continuing Education staff is hopeful that you find the course offerings helpful and beneficial in fulfilling your personal and professional needs while providing some new and exciting learning opportunities.

We are always looking for individuals who are willing to teach on a variety of subjects. If you possess the skill and knowledge and are willing to share your area of expertise, please contact the Continuing Education Office.

Nancy N. Robb
Superintendent

Mission Statement
The Mission of Township High School District 211 Continuing Education is to provide learning opportunities that support the needs and interests of our residents. Quality courses are designed and implemented to enhance education and training, enrich personal development, and inspire healthy and prosperous futures.

Survey for New Continuing Education Course Ideas

In an effort for Township High School District 211 to better serve you, please fill out the survey indicating which of the following courses you would be interested in taking. Please write in any ideas for new courses you would like, and let us know if there is anything you might like to teach.

Please return the completed survey to: Township High School District 211, 1750 S. Roselle Road, Palatine, IL 60067-7336, Attn: Denise Schmidt, or call the Continuing Education Department at (847) 755-6820.

Please mark an “X” if interested

___ Steps Toward Changing Careers: Looking for a new career? Learn tips on job searches, resume writing, interview strategies, and more from professional recruiters.

___ Improving Your Memory: Do you need to improve your memory? Learn strategies to enhance your memory to help you at work and at home.

___ Discovering All You Can About Cruises and Cruise Lines: Learn how to select the perfect cruise and cruise line. Participants can enjoy a behind-the-scenes view of a variety of cruise destinations and planned voyages.

___ Movie Talks: Do you enjoy watching a variety of good movies and films and want to have lively discussions about them with others? Participants will watch films together and a film instructor will lead class discussions.

___ Automotive Maintenance for Women: Are you a woman who wants to become educated about how to perform basic maintenance procedures on your car? This course will help participants learn how to change a tire, how to change oil, and what tools and emergency equipment to keep on hand.

___ Car Detailing: Are you interested in learning tips on interior cleaning and stain removal? Participants will learn about types of polishes, cleaning agents, waxes and sealants to use, and how to use them.
