Township High School District 211 Summer School 2015

Mission Statement

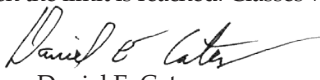

"The Mission of Township High School District 211 is to serve the educational needs of the community by developing and implementing quality programs which challenge students to achieve their potential to become contributing, informed citizens capable of meeting the demands of a changing world."

– Adopted by the Board of Education February, 1999

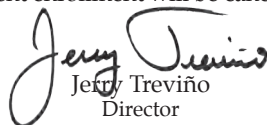

Introduction

All students residing in High School District 211 may enroll in our tuition Summer School program. Summer School provides opportunities for students to improve academic skills and to explore new interests. It also enables incoming freshmen to become familiar with the high school routine.

Online registration begins on April 13 at 7:00 a.m. for Conant, Schaumburg, and Hoffman Estates High Schools and April 15 at 7:00 a.m. for Palatine and Fremd High Schools. Please register **early**. Walk-in registration is also available (see page 3 for office hours.) Decisions to run most classes will be made by June 5. Class sizes must be limited, and classes will close when the limit is reached. Classes with insufficient enrollment will be cancelled.

A school administrator and the District Summer School administrator must approve all refunds which will be subject to a review of initial payment.

ORIGINAL BUS PASS MUST BE SURRENDERED TO BE ELIGIBLE FOR A FULL TRANSPORTATION REFUND. *Refund requests missing a bus pass will be delayed until the pass is returned.*

Food Service Options

Limited breakfast and lunch options are available to all students attending Summer School. A **complimentary** breakfast will be available to all students before school hours only. Additionally, the food service department will now be serving complete lunches during Summer School at regular rates. Student favorites including quesadillas, chicken tenders, and pizza will be featured on the new lunch menus accompanied by various fruits, vegetables, and milk. Most schools will also be serving à la carte options including sandwiches, snacks, and beverages. Selections vary by school. Vending machines also are available throughout the day offering beverages and snacks in the student cafeterias.

District 211 students attending Summer School will have access to their food service prepayment accounts; however, students may have the inability to access their prepayment accounts if they are enrolled in multiple schools over the course of the summer. Students also may make payments in the cafeteria using cash. Deposits to prepayment accounts can be made using cash or check payments only. Online credit card payments will not be accepted during Summer School, and will resume prior to the start of the 2015-2016 school year. If you have any questions about the food service options available to your child, please call the Food Service Department at (847) 755-6680.

Emergency Information

In the event that it is necessary to cancel classes because of an emergency situation, information will be available on the District 211 website (adc.d211.org), via the news media, or on the **Information Hotline at (847) 755-6724.**

Summer School Regulations

Frequently Asked Questions

Summer School is an academic enrichment program for students who desire additional learning opportunities. Time is precious; each day is equivalent to a week of study during the regular school year. Rules are enforced strictly, quickly, and consistently to maintain an atmosphere conducive to learning. There will be no exceptions made to the rules of conduct or attendance.

What kind of behavior is expected?

During the summer, behavior expectations are the same as during the school year. Students may not wear hats and coats in school. Students who use or possess tobacco or controlled substances; are truant or excessively tardy; or commit acts of gross misconduct will be immediately dismissed from summer school. These students will forfeit credit and fees for the semester.

Summer School Regulations (continued)

Are students required to wear IDs?

Students are required to wear and properly display a current school I.D. card while attending Summer School in District 211. Student I.D. cards will be distributed on the first day of class. The I.D. card must be worn around the neck and visible at all times during the school day except when specifically exempted on a temporary basis by an authorized faculty /staff member. Only lanyards issued by the school may be used to wear and display the I.D. card. Students may not embellish their I.D. card with any drawing or writing. I.D. cards must be surrendered upon request of any staff member, including bus drivers and student supervisors. The I.D. card must be shown to the staff member on duty when entering buses, checking out media materials, and leaving the school for any purpose. Students without an I.D. card on a school-issued lanyard must obtain a replacement card or lanyard immediately upon entering the building. A fee of \$3.00 may be charged to replace a lost or invalid I.D. card or school lanyard, and a fee of \$1.00 may be charged for each day that a student fails to wear the I.D. card to school. Further disciplinary consequences may apply for failure to properly wear and display a current I.D. card.

Are electronic devices allowed?

Students are permitted to possess electronic communication devices (e.g. cellular telephones, pagers, personal digital assistants, or any hybrid communication device) while on school property. "School property" includes the school building, parking lots and grounds, and school-owned vehicles. **However, these devices must be turned off and stored out of sight (backpack, purse, not visible to anyone) during school hours.**

What are the attendance rules?

- A student who misses the first two days of a Summer School semester will not be allowed to attend class that semester.
- A student who misses the first two days of a Summer School semester will forfeit all tuition and fees.
- Upon obtaining a third absence (or any combination of absences/tardies equaling three absences), a student will be **dropped** from Summer School.
- A tardy of one hour or less is recorded as one-half day of absence; more than one hour equals a full day. Students arriving late or leaving early must report to the attendance office.
- Do not schedule summer vacations during the Summer School session.

- Students dropped from class do not receive refunds.
- To report an absence or ask a question, please call the summer school office at the school the student is attending.

James B. Conant.....	847-755-3670
Schaumburg	847-755-4670
Hoffman Estates	847-755-5670

What are the study requirements?

Students should expect a great deal of homework each day. Absentees must turn in missed work immediately upon their return to school.

What is the final examination policy?

A student who is absent on the last day of the semester will not be allowed to take the final examination and will not receive course credit. In addition, the student will forfeit all fees for the entire semester and receive a failing grade by default. Final examinations will be given during the last two hours of class. **Final examinations will not be given early.**

How much credit does a course earn?

Students receive one-half unit of credit for each semester of an academic course. Driver education courses and physical education earn one-quarter unit of credit for the course.

What does "audit" mean?

Students may apply to audit a course. A notation will appear on the school record that the student attended the course and received **no credit**. Audit students pay full fee and must adhere to the same attendance guidelines. Audit forms are obtained from the summer school principal.

Is Pass/Fail an option for any Summer School classes?

The only class that has the pass/fail option is Study Skills.

How does a student register for a class?

Current students should contact their counselor to enroll in Summer School. Parents should contact their child's counselor for an appointment, if desired. New students should contact the guidance office at the school they will attend in the fall. District 211 Summer School is not available to students entering grade 8 or below.

Summer School Course Offerings

See the High School District 211 Curriculum Guide (available online at adc.d211.org) for detailed course descriptions, or contact the student's counselor. Register early to guarantee a seat because classes will close.

Art

A153 Art

Levels: All

1/2 unit of credit

This course is the equivalent to the first semester of the Art and Design sequence offered during the regular school year. Students will learn the basics of drawing, color, and design through a variety of projects and materials.
