Important Dates

- August 11 | First Day of School
- August 12 | Book Discussion

Summer Reading Requirements:

- **Choose a book:** You can access your local library. This not only gives you access to a wide selection but also supports your community library.
- **Parental Approval:** Before you check out your book, please make sure that your parents or guardians have reviewed and approved your selection.
- **Fiction and Page Count:** The book must be a work of fiction and contain at least 200 pages. This helps ensure that you have a substantial text to explore during the summer.
- **Discussion Questions:** On the second day of school, we will have a class discussion about the novels you read over the summer. To prepare, you may review your book and take notes to help you participate.
