Dress Code Expectations for Semi-Formal Dances

Appropriate dress is required. Students whose dress code does not comply with these rules, **will NOT be admitted.**

- When arms are extended, dresses must not be above the longest finger.
- Dresses that expose the midriff, have cut-outs, or expose excessive cleavage will not be permitted.
- No gym shoes, jeans, hat, or sunglasses are allowed.
- Boys must keep shirts on at all times.

**If you are unable to comply with the above dress code, you need to see your administrator for approval before the day of the dance.*

Expectations for Student Dancing

- i. All students attending a dance sponsored by Schaumburg High School acknowledge that it is a school-related event and all school rules apply.
- ii. Upon entering the dance, all students will be issued a wristband that they must wear, for the duration of the dance. Students are still required to have a ticket and a valid school issued ID.
- iii. Students are expected to dance in a respectable manner. Dancing that is inappropriate, sexually explicit, or creates unsafe conditions is not allowed. **This includes any form of grinding and back-to-front dancing.**
- iv. Students who are seen dancing inappropriately will be spoken to and may have their wristbands removed by an administrator or chaperone. **The removal of the wristband will constitute the “official warning” that they may be removed from the dance, should inappropriate dancing continue.**
- v. **Once a student has had a wristband removed, continued inappropriate dancing will result in removal from the dance.** Should this occur, an administrator will follow up with the students’ parent/guardian to inform them that their child was removed from the dance for sexually explicit, or inappropriate dancing. If the dance is being held off site (of Schaumburg High School), students who are removed will be sent to a designated area for the remainder of the dance, or until a parent comes to pick up their child.
- vi. Students who are removed for inappropriate dancing at more than one dance during their tenure at Schaumburg High School, are subject to being banned from subsequent dances.
- vii. Guests that are removed from any dance, for any reason, will no longer be welcome at future SHS functions.
- viii. **If inappropriate dancing is widespread, music may be stopped for a period of time. If after the music has been turned back on, the dancing continues to be inappropriate, the dance may end prior to the scheduled end time.**

The administration reserves the right to remove any student from a dance for any type of behavior that is deemed inappropriate
