

SHS VIP Booster Club plays a crucial role in every teen’s educational success at Schaumburg High School. This organization provides funds to SHS clubs, teams, and supports academic & cultural activities to benefit the entire student body. We are an independent organization, do not belong to any state or national affiliations, so all funds raised go directly to our students and school programs.

Join our Booster Club members and be part of VIP! We encourage all families to join with our Basic membership of \$25 per family. Additional membership options are available which may include the SHS Athletic Sports Pass or a Grandparents pass. All membership participation includes scholarship eligibility. We encourage participation in our events and volunteering to support students, but it is not a requirement of membership. This tax deductible contribution supports our organization and our students. Enroll online during student registration, or complete and submit this attachment to the SHS Student Services office or by mail: SHS VIP, 1100 W. Schaumburg Rd., Schaumburg, IL 60194
