

Before you cut...

Can you spare more hair?

Do you have more than 12" to donate?

Children With Hair Loss greatly appreciates all hair donations that are a minimum of 8 inches however, we have many requests from our recipients for long hair replacements that require donations of 12 inches or longer. If you can grow your hair a bit more before donating, it will help us most in our mission.

"Covering Young Heads to Heal Young Hearts!"
