

### Athletic and Activity Registration Process

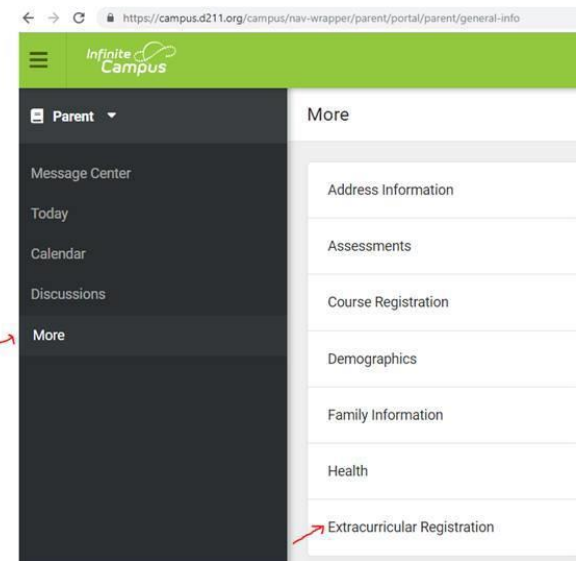

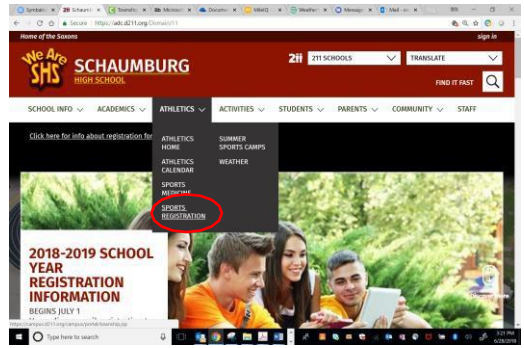

District 211 uses Infinite Campus to register students for athletics and activities. Starting July 2<sup>nd</sup>, parents should log into the [Infinite Campus Parent/Student](#) portal from the school website to register students for athletics and activities.

Parents will need to complete the registration process prior to their child being able to participate in athletics or an activity.

Once you log into Infinite Campus portal, there will be an option on the left hand side entitled "More". Select this link to reveal more options. From the new list, select the "Extracurricular Registration" link to begin the registration process.

### Parent Portal Accounts:

Parent accounts must be activated using an activation key. If you do not have an account, please contact your school's student services department to obtain your activation key. Parents can access all students within the family on a single account. If your account does not include all of your children, please contact your school's student services department to merge your family accounts.

SHS Student Services: 847-755-4630

### Password Reset:

If you need your password reset, please select the "Forgot your password?" link below the login.
