WELCOME
CLASS OF 2029

TO FREMD HIGH SCHOOL

PLACEMENT TESTING - SATURDAY, OCTOBER 26

SEE PAGE 4 FOR DETAILS

A MESSAGE FROM MARK LANGER

PRINCIPAL OF FREMD HIGH SCHOOL

Dear Future Vikings and Families,

Welcome to Fremd High School! Every new school year brings with it the promise of extraordinary opportunities, innovative teaching, and exceptional learning experiences. Our dedicated educators are committed to ensuring that your student reaches their highest potential, both academically and personally. They genuinely care about each student and are committed to helping you and your student make the most of the academic and extracurricular opportunities available at Fremd.

This booklet is your first step toward a successful transition to high school. It contains essential information designed to guide you through this exciting journey. Inside, you'll find details about placement into core courses, course selection procedures, and the wide array of athletic and activity options available at Fremd. We've also included contact information for key staff members and other resources to help you navigate this transition from junior high to high school.

At Fremd, we take pride in fostering a community where our students are Mighty, Brave, and Bold. These qualities define who we are as Vikings—strong in spirit, courageous in our pursuits, and unafraid to face challenges head-on. As you join our school, we encourage you to embrace these values and carry them with you throughout your time here.

I encourage you to thoroughly review the booklet and mark important dates on your calendars. You are now part of the Fremd High School community, where we prioritize care for one another and strive for excellence in academics, athletics, and activities. I look forward to working together to make your time at Fremd a rewarding and memorable experience.

Sincerely,

Mark Langer
Principal

“ *It is my pleasure to welcome you to Fremd High School! We have a long standing tradition of excellence in academics, athletics, and activities that we are excited for you to experience.* **”**

for more information.

PLACEMENT EXAM

Incoming freshmen are required to complete a placement exam which assists in determining English, math, and science course placement along with identifying students for required participation in the Incoming Freshmen math and reading summer school programs. The fall administration is the first administration of the PreACT. PreACT assessments offer 8th, 9th, and 10th graders an early experience with ACT test items and provides a predicted ACT test score. The ACT serves as both a college entrance exam and is used by the State of Illinois as its mandated assessment for grade 11 students.

More information about the PreACT is available at <https://www.act.org/content/act/en/products-and-services/preact.html>.

Date: Saturday, October 26, 2024

Report Time: 7:45 a.m.

Testing Time: 8:00 - 11:15 a.m.

What to Bring:

- Calculator (smartphones cannot be used as a calculator)
- #2 Sharpened Pencil

Only students with testing accommodations on their IEP or 504 Plan will receive testing accommodations on test day. Students eligible for testing accommodations will receive additional information leading up to the exam date. Students with accommodations; will finish at different times depending on their accommodations therefore, students will need to arrange for their own transportation home after testing.

Questions about the placement exam can be directed to Tracy Bafia, director of student services, at 847-755-2626.

TRANSPORTATION TO PLACEMENT EXAMS

Fremd High School provides dedicated bus transportation to and from the placement exam. Students wanting to access this optional service must be at the designated bus stop (intersection) closest to their home no later than 7:15 a.m. on October 26. Questions about bus transportation can be directed to the District 211 Transportation office at 847-755-6796. Bus routes are provided for your reference.

INCOMING FRESHMAN NIGHT

Each year, Fremd High School invites incoming freshmen and their parents to an evening event designed to provide a smooth transition from 8th grade to 9th grade. During Incoming Freshman Night, parents and students receive placement test results with information about the course planning process, elective course choices, summer school options, and school registration.

INCOMING FRESHMAN NIGHT
DECEMBER 10
6:00 - 8:00 P.M.

Incoming Freshman Night includes a Curriculum Fair with classroom teachers providing information about core classes (English, math, and science) and elective course options.

Fremd High School will host its annual Incoming Freshman Night for the Class of 2029 on Tuesday, December 10, 2024, from 6:00 - 8:00 p.m. Parents of

enrolled students will receive more information about this event in November. The presentation will be available in Spanish.

ACTIVITIES AND ATHLETICS FAIR

Fremd High School will host an Activities and Athletics Fair in the Spring. Students and parents can explore and learn about all the athletic and activity opportunities. Coaches and sponsors will be available to meet students. In addition, families can register for summer athletic camps and submit the required school physical.

FRESHMAN ORIENTATION SESSIONS

Over the summer, Fremd High School will host orientation sessions for all incoming freshmen and their parents. Facilitated by school counselors, these 90-minute orientation sessions provide small groups of participants with a deeper understanding of the school's curriculum, guidance service model, technology resources, and iPad distribution. The specific orientation sessions dates will be sent to parents in the spring.

You may want to examine the school website at <http://fhs.d211.org> in advance of orientation sessions to learn more about academic programs, student activities and athletics, and other general information about Fremd High School.

FREMD HIGH SCHOOL FRESHMAN KICK-OFF

Fremd will host a Freshman Kick-off on **Tuesday, August 5, 2025**. Students will be introduced to VAMP (Viking Advisory Mentoring Program) as well as a variety of activities that will include a pep rally and a tour. Students will receive information related to technology platforms used, navigating the website and pick up iPads. The kick-off provides students with an opportunity to meet staff and students and catch the Viking Pride.

- Please discuss course options that are best aligned for you with your school counselor, teachers and parent/guardian.
- **Core Courses:** As part of graduation requirements, courses in core areas (English, Math, Science and Social Studies) can support your interests.
 - **Elective Courses:** Explore courses that align to your personal interests, hobbies and/or career aspirations.

Don't Forget!

Additional Graduation Requirements

Must include both

- ☐ Consumer Education
☐ Driver Education (private or at school)

+

Include a minimum of 1 year

- ☐ *World Language **OR**
☐ Career & Technical Education **OR**
 (Applied Technology, **OR** Business, **OR** Family & Consumer Sciences Course)
☐ Fine Arts
 (Art & Media **OR** Music)

+

Must complete

- ☐ State Testing (Junior Year)
☐ Constitution Test (completed during Senior year Social Studies Course)
☐ FAFSA Completion (Senior Year)
☐ At least 20 units of credit

*World language may be recommended or required by colleges/universities in Illinois. State-supported universities in Illinois may accept Career and Technical Education or Fine Arts courses. **Check with a counselor for details.**

COURSE PLACEMENT AND ELECTIVE COURSE REQUESTS

Incoming freshmen will be placed into specific English, math, and science courses based on placement test scores and recommendations from 8th grade teachers.

The typical freshman will participate in the following set of courses:

1.	English
2.	Math
3.	Science
4.	Wellness
5.	Lunch
6.	*Elective #1: _____
7.	*Elective #2: _____
8.	Study Hall

***Elective course options** will be provided to you in December. We encourage you to review these options with your child’s academic readiness, personal interests, and future goals.

***Elective course requests** will be collected via the D211 Infinite Campus Parent Portal and specific instructions for using this system will be sent to you in late October. The deadline to submit elective course requests is December 18, 2024.

DEADLINE FOR ELECTIVE COURSE REQUEST CHANGES JANUARY 31, 2025

MATH PLACEMENT

Math placement is finalized in the spring for all students initially placed into a math course of geometry or higher. Some students may be recommended for a summer school math class during the summer prior to their freshman year.

FRESHMEN STUDY HALL

Select students will have the option to take an additional elective course in lieu of the required freshmen study hall. Eligible students will be notified of this option during the course request window.

If you have specific questions about courses please email the department chair.

REGISTRATION INFORMATION

Registration occurs annually through Infinite Campus. During April, you will receive details about the registration process. Completing registration confirms your student intends to attend Fremd High School in the coming school year.

Registration fees may be waived for students who qualify for free or reduced price meal benefits. Applications for free or reduced-price meal benefits will be sent to families in July.

You will need to upload the following documents to Infinite Campus.

- Birth Certificate
- Proof of Residency can be demonstrated by providing one of the following original documents:
 - Current ComEd or Nicor utility bill in the parent's or legal guardian's name.
 - Current lease naming parent/guardian as a party to the lease.
 - Current property tax bill in the parent's or legal guardian's name.

If you reside with someone else within our attendance boundaries, you will need to complete a residency affidavit. The affidavit must be completed and approved for your student to attend school.

2025-2026 Online Registration
Opens May 1
School invoices mailed home
September 2025

Be Ready for the First Day of School

☐ Complete Online Registration

- District 211 utilizes Infinite Campus (IC) as our student information system. Parents/guardians complete the online registration process within this system. IC logins affiliated with another school/district will not allow you to complete the registration process for District 211. You must establish a District 211 IC parent portal account.

☐ Submit Physical Examination

- School physicals must be completed, submitted to the school nurse, and reviewed for meeting requirements prior to the start of school.

SUMMER SCHOOL

District 211's Summer School program includes academic courses and activity/athletic camps. Academic courses allow students to recover course credits, explore areas of career interest, and enhance academic skills. School activity and athletic camps provide an opportunity for students to strengthen skills and preparation for athletic/activity seasons and events.

SUMMER SCHOOL REGISTRATION OPENS SPRING 2025

Session 1: June 2 - June 24

Session 2: June 25 - July 17

SUMMER SCHOOL REGISTRATION DETAILS WILL BE SENT TO YOU IN THE SPRING

FOOD & NUTRITION SERVICES AND MEAL/FEE WAIVER INFORMATION

Each July, the annual meal/fee waiver application is available for families interested in applying for benefits. If approved, students are eligible to receive free or reduced-price meals, as well as waiver of applicable school fees including instructional fees, Driver Education, PE uniforms and locks, AP testing, summer school tuition, and graduation cap and gown fees. A new application must be submitted annually to qualify.

District 211 cafeterias offer breakfast, lunch, and snack service daily. Menus and information on food & nutrition services is available online at <https://adc.d211.org/Page/6398>.

STUDENT HEALTH INFORMATION

**HIGH SCHOOL DISTRICT
211 HAS A FIRST DAY
EXCLUSION POLICY.**

**STUDENTS WHO ARE NOT IN
COMPLIANCE WILL NOT BE ABLE
TO ATTEND SCHOOL.**

Illinois School Code requires all incoming 9th graders to have a valid physical examination and up-to-date immunization records on file with their high school prior to beginning freshman year.

Students cannot attend school unless these requirements are satisfied. The physical exam must be documented using the official State of Illinois form available on the District 211 website at <https://adc.d211.org/health-exam-form>. **The physical must be completed within 12 months of the start of school which is on or after August 11, 2024.**

Religious Exemptions to Required Immunizations

Families seeking a religious exemption from the immunization requirements must use the official Illinois Certificate of Religious Exemption to Required Immunizations and/or Examinations form. This form must be signed by a licensed medical physician.

School Health Services

Fremd High School's Health Services office is staffed by a school nurse and a health clerk who provide support for illnesses, known medical conditions, and injuries. In the event a student must be sent home from school for a medical reason, the Health Services office will notify the parent/guardian. In cases where the parent/guardian is unavailable, the office will contact an adult listed as an emergency contact on the student's school registration information. Please make sure emergency contact information is up to date.

The Health Services office will only administer prescription and non-prescription medications in school after the parent/guardian has provided a signed copy of the Authorization for Administration of Medication form. Families of students with chronic health conditions should contact the Health Services office to discuss appropriate accommodations for the student.

The Fremd High School Nurse is available via phone at 847-755-2662.

Email all medical forms to fhsnurse@d211.org.

Required Dental Examination

All students in the Class of 2029 are required to provide proof that an oral health examination was completed by a licensed dentist between November 15, 2024 – May 15, 2026.

The official State of Illinois oral examination form is available on the District 211 website at <https://il49000007.schoolwires.net/domain/3472>.

ACTIVITIES/ATHLETICS

Fremd High School offers many unique student clubs and activities. Students can choose from a range of competitive, cultural, fine arts, service and interest clubs led by dedicated staff sponsors. Clubs typically meet two times per month after school and competitive activities include after school and weekend events. Additional information about clubs, their sponsors and club-specific websites or Schoology pages can be found on the school website at <http://adc.d211.org/domain/362>.

SPORTS PHYSICALS

Incoming freshmen choosing to participate in a Fremd High School summer athletic camp, including pom-poms and color guard, must provide evidence of a valid physical exam within the last 13 months prior to the start of the summer camp which is on or after May 2, 2024.

Student Support Teams

Fremd High School has assembled student support teams to best meet the needs of all students. Composed of an assistant principal, 2-3 school counselors, a psychologist, and a social worker, each team monitors students according to academic, behavior, and attendance factors. Any student displaying indicators of concern receives concentrated attention and support. The school counselor remains the best point of contact for any parent interested in knowing more about the student support team model.

Contact the Student Services Office at 847-755-2630.

STUDENT SERVICES

The Student Services Department supports every Fremd High School student. Students are assigned a school counselor who serves as their main point of contact for all school-related matters throughout high school. Students can request an appointment with their school counselor during any non-academic period of the student's school day.

Counselors lead students through grade-specific activities and lessons during the school year. The activities, often provided in classroom settings, are designed to support student development in the areas of academic proficiency, post-high school planning, and social-emotional well-being.

Parents are encouraged to contact their child's school counselor anytime the parent seeks greater insight about their child's status in school. The counselor has access to a variety of resources to assist parents and can facilitate connections with others in the school as needed.

Registrar

The Registrar's Office maintains all permanent school records and manages the collection of student's grades at the conclusion of each semester. Permanent records are maintained for sixty years after a student graduates, transfers, or permanently withdraws from school.

ACADEMIC SUPPORTS AT FREMD

At Fremd High School, we strive to provide academic support for all students, in order to enhance student success. While students are always encouraged to seek assistance from their academic teacher, a variety of resources are available for students seeking additional support.

Grade Reporting

Student grades are reported by semesters. Each semester is made up of 18 weeks. Parents are informed of their student’s progress at 6- and 12-week intervals. The 6- and 12-week in-progress grades may include special comments from the teacher. Parents of students having difficulty or doing unsatisfactory work are urged to meet with teachers and/or the student’s counselor to discuss improvement options. Specific dates of all student reports are in each school’s Calendar Handbook. Additionally, all parents may view the status of their students in classes in which the teacher is using the Infinite Campus Parent Portal.

General Study Hall

All students with a free period are assigned a General Study Hall where they can quietly do work or seek other academic supports in the tutoring center.

Tutoring

Tutoring for various subjects is available throughout the school day and after school. Students are able to drop in for extra support as needed to ensure academic success. Students are always encouraged to talk to their teachers about specific issues in their class. Tutoring is also available after school on designated dates.

Guided Study Hall/Academic Support

Students may be assigned to a Guided Study Hall or Academic Support. This study hall offers a smaller setting in which they may receive one-on-one guidance from a staff member. In addition, students will work to develop study, organizational, and other academic skills.

Need Help, But Not Sure Where to Begin?

If a student has academic questions or difficulties they should contact their classroom teacher for help. Parents may contact teachers through email or by phone. Questions regarding scheduling, emotional health/wellness support, or post-secondary planning can be addressed by a student’s counselor. Students who may not know where to begin for support may visit their counselor to engage them and help to ascertain their unique needs.

ACT Prep

Fremd will be offering an ACT prep course available to all Juniors interested in learning test taking strategies starting in October. This opportunity will be focused on preparing for the test, strategies, and resources only.

If you are interested in content-based support in either Math or English, after school support is also available starting in September. You can find out more information about the ACT resources available to students by visiting the standardized testing information page on our website <https://adc.d211.org/Page/7060>.

Student Support Team (SST)

Each SST consists of an administrator, counselors, psychologist, and social worker, which provides one point for parents and students to access support services. This team format provides an opportunity for staff to collaborate and to address attendance, behavior, and academic issues quickly and efficiently.

VAMP

Fremd High School’s VAMP Program (Viking Ambassador Mentoring Program) is a student mentorship program aimed at easing the transition to high school. Student mentors have been selected based on their leadership qualities. Student mentors and visitors to the program conduct lessons three days a week for our freshman students during the first semester’s first half of their lunch period. These lessons are focused on providing students with resources for a successful student career and helping students establish a sense of belonging at Fremd High School. On Mondays and Fridays, students have the opportunity to check their academic progress or spend time receiving tutorial supports. At the end of the first semester, the VAMP curriculum will be complete.

SOFTWARE SYSTEMS & USER ACCOUNTS

A variety of software systems are used to maintain student information, manage instructional tasks, and support student development. Parents and students alike have access to these systems, and parents are encouraged to establish user accounts for each system and reference the library of tutorial videos to learn how to maximize the use of these systems. The tutorial videos are available on the District 211 website at adc.d211.org/page/7133.

Infinite Campus

Infinite Campus (IC) is used to manage student data such as contact information, attendance, grades, and assessment scores. The IC portal is located at <https://campus.d211.org/campus/portal/township.jsp> and requires parents to create a unique individualized user account. Account creation requires an activation key and all parents are sent that key during the fall of their child's 8th grade year in anticipation of entrance to high school. Parents of transfer students will receive an activation key upon school enrollment. Parents are discouraged from sharing their IC password with their child since the parent account includes privileges unique to the parent's role. Students have their own IC accounts.

Schoology

The Schoology portal is located at <https://d211.schoology.com/login?&school=13690631>. This platform helps teachers track, report, deliver, and collect instructional materials. Parents will receive an email early in the school year with details about accessing Schoology, including an individualized username and temporary password. Once in Schoology, parents will be able to see every course associated with their child.

MySchoolBucks

MySchoolBucks is the exclusive system for District 211 parents to make school meal prepayments, as well as make online payments for monetary transactions with the school such as iPad protection plans and repair costs, student parking permits, and more.

Parents can create a free MySchoolBucks account by www.myschoolbucks.com or downloading the MySchoolBucks app to their mobile device. Please contact the District 211 Food and Nutrition Services department at 847-755-6681 if you have questions about this free service.

Maia Learning

MaiaLearning is D211's college and career readiness platform that engages students in planning their future. Students can use MaiaLearning to learn about their interests and strengths and explore postsecondary and career options based on their interests. Students can build academic, postsecondary, and career plans, create resumes and portfolios and manage college applications, letters of recommendation, and transcripts. Community service hours and work experience are entered into Maia Learning to display on a resume and for Harper Promise. Please contact your student's counselor if you have questions. <https://www.maialearning.com/v3/>

Traversa Ride 360

The Traversa Ride 360 mobile app provides secure access to student routing information. Ride 360 provides quick access to your child's routing information, including the bus stop, route, and bus number. Ride 360 can also utilize GPS data to give parents and guardians access to information on where their child's school bus is, the planned bus path, and what time it is expected to be at their scheduled bus stop. School districts may also send notifications to subscribed users.

FREMD VIKING BOOSTER MEMBERSHIP

The Fremd Viking Booster Club helps create a meaningful & memorable high school experience for all Fremd students through its support of academic, athletic, club & cultural programs and activities.

- Fremd High School has a history of strong academic and extracurricular excellence
- Parent involvement strengthens the connection between the School, Students and Home
- As the largest parent organization at Fremd, the Booster Club enhances that connection
- All funds raised directly impact all Fremd students through Booster Grants to school organizations, scholarships and sponsorship of school activities

**All-Age Athletic Passes are good for adult/child admission; however, they are not valid for IHSA playoff games. High School District 211 students are admitted free with a school ID.*

For more
information visit:
FremdBoosterClub.org

Basic Membership: \$30

Support programs that enrich the Fremd experience and receive invitations to Booster Parent Forums, subscription to the Booster newsletter, access to the monthly Booster Club meetings and your choice of membership giveaways.

Show your Fremd pride with a congratulatory Class of 2025 Graduation Yard Sign. Pre-order now, signs will be available in April 2025. Purchase available on myschoolbucks.com.

FREQUENTLY ASKED QUESTIONS (FAQ)

Q: When is the first day of school for freshmen?

Classes begin on Monday, August 11, 2025.

Q: Is a school supply list available so my freshman student is fully prepared on the first day of school?

A supply list is not issued for freshmen. Individual teachers will share details about specific supply items students will need for their classes. Students are encouraged to bring pens, pencils, folders, notebooks, school-issued iPad, and charger on the first day of classes.

Q: How many courses do students take during 9th grade?

All freshmen are required to take English, math, science, and Wellness classes. Additionally, freshmen take two elective courses and have a lunch period in their daily schedule. All 9th grade students are assigned to a study hall period. Parents will be notified if their child is eligible to choose a third elective course in lieu of study hall.

Q: How do students qualify for a third elective?

Freshmen students who qualify for a third elective will be notified in January. We recommend that all students select an alternate elective choice. Students' elective choices must be finalized by January 31, 2025.

Q: When do students receive their freshmen year daily course schedules?

Official course schedules will be available on the first day of school. Students will receive a tentative schedule in August.

Q: My child is interested in athletics. When do fall sports begin?

The fall 2025 sports season will begin on August 11.

Q: How do I register my child for an athletic team or extracurricular activity?

Parents use Infinite Campus to register for extracurricular athletic teams, clubs, and activities. Completing the registration process requires the parent to log onto the Infinite Campus Parent Portal first. A menu of options is displayed on the left-hand side of the screen after logging in. Select school store and follow the on-screen prompts to complete registration for the desired team and/or activity.

Q: Where is my bus stop, and what time will the bus pick me up?

Parents can use the *Traversa Ride 360* app to track their child's bus. Please call the Transportation department at 847-755-6798 with any questions about bus service.

Q: Is summer school required?

Incoming freshman students are individually invited to attend specific courses to assist them in developing the skills necessary for success in high school. The Incoming Freshman Academy is a mandatory summer program for select students based on their math and English course placement. Notification regarding Incoming Freshman Academy participation will occur in January. Additionally, students may be invited to attend optional math courses based on their math placement for freshman year. Math placement is finalized in the spring; students will be notified of their recommended summer math programs at that time.

Q: What is the Wellness class and does my freshman have to take it?

All freshmen are required to take Wellness as part of their 9th grade set of courses. Students in the Wellness course split time between a classroom setting where essential concepts are explored and an activity setting where concepts are applied. More information about the Wellness course is available in the [District 211 Curriculum Guide](#).

Q: I am not satisfied with my child's results on the placement exam. Can my child retake the placement exam?

Retesting is not available due to exam protocols established by the College Board. The placement exam, the PSAT 8/9, is not the only factor used to determine a student's placement in core subjects. Teacher recommendations also are considered before specific courses are assigned.

Q: When will my child receive the results of the placement exam?

Placement exam results will be distributed at Incoming Freshman Night on December 10, 2024.

Q: Whom should I contact if I have questions about placement test scores, course placement, or other details about my child's transition to high school?

Questions about course placement determinations should be directed to the student services office at 847-755-2626. Student service staff members are available to assist the families of the Class of 2029 so that the high school experience begins on a positive note.

Harper College®

HARPER COLLEGE PROMISE SCHOLARSHIP

District 211 students are eligible to participate in the Harper College Promise Scholarship which provides up to two years (60 credit hours) of free tuition at Harper College upon high school graduation. Students can earn this scholarship by achieving quality grades in their high school courses, by having good attendance, graduating from high school on time and ready to begin college-level coursework, and by performing community service hours annually. Students apply for this scholarship during the first semester of freshman year and eligibility criteria becomes active during the second semester.

More information about the Harper Promise Scholarship is available on the District 211 website at <https://adc.d211.org/harper-promise> or the Harper College website at <https://www.harpercollege.edu/about/promise/index.php>.
