- Identify students who qualify for accelerated placement, in accordance with the Illinois Accelerated Placement Act
- Provide a predictive ACT score to support college and career planning

During junior year, all students take the ACT, which serves two key purposes:

- It is accepted as a college entrance exam by colleges and universities
- It fulfills the State of Illinois’ high school assessment requirement for graduation

More information about the PreACT is available at <https://www.act.org/content/act/en/products-and-services/preact.html>.

INCOMING FRESHMAN NIGHT
DECEMBER 9
6:00 - 8:00 P.M.

Incoming Freshman Night includes a Curriculum Fair with classroom teachers providing information about core classes (English, math, and science) and elective course options.

Fremd High School will host its annual Incoming Freshman Night for the Class of 2030 on Tuesday, December 9, 2025, from 6:00 - 8:00 p.m. The presentation will be available in Spanish.

Coaches and sponsors will be available to meet students. In addition, families can register for summer athletic camps and submit the required school physical.

FRESHMAN ORIENTATION SESSIONS

Over the summer, Fremd High School will host orientation sessions for all incoming freshmen and their parents. Facilitated by school counselors, these 90-minute orientation sessions provide small groups of participants with a deeper understanding of the school's curriculum, guidance service model, technology resources, and iPad distribution. The specific orientation sessions dates will be sent to parents in the spring.

You may want to examine the school website at <http://fhs.d211.org> in advance of orientation sessions to learn more about academic programs, student activities and athletics, and other general information about Fremd High School.

FREMD HIGH SCHOOL FRESHMAN KICK-OFF

Fremd will host a Freshman Kick-off on **Tuesday, August 4, 2026**. Students will be introduced to VAMP (Viking Advisory Mentoring Program) as well as a variety of activities that will include a pep rally and a tour. Students will receive information related to technology platforms used, navigating the website and pick up iPads. The kick-off provides students with an opportunity to meet staff and students and catch the Viking Pride.

COURSE PLACEMENT AND ELECTIVE COURSE REQUESTS

Incoming freshmen will be placed into specific English, math, and science courses based on placement test scores and recommendations from 8th grade teachers.

The typical freshman will participate in the following set of courses:

1.	English
2.	Math
3.	Science
4.	Wellness
5.	Lunch
6.	*Elective #1: _____
7.	*Elective #2: _____

Accelerated Placement Act

Illinois State Law ([Public Act 101-0654](#)) helps make sure students are placed in classes that match their academic strengths. If your child met or exceeded benchmarks on the PreACT 9 Secure assessment administered Saturday, October 25, they will be automatically placed into more advanced classes in 9th grade English, math, and/or science. These may include honors-level courses designed to challenge students and support their growth. When your student selects their courses in December, you’ll be able to review these recommendations. If you prefer a different placement, you can complete the Accelerated Placement Survey using a link provided during Class of 2030 night.

Additional information about clubs, their sponsors and club-specific websites or Schoology pages can be found on the school website at <http://adc.d211.org/domain/362>.

SPORTS PHYSICALS

Incoming freshmen choosing to participate in a Fremd High School summer athletic camp, including pom-poms and color guard, must provide evidence of a valid physical exam within the last 13 months prior to the start of the summer camp. Physical must be dated or after May 1, 2025.

Student Support Teams

Fremd High School has assembled student support teams to best meet the needs of all students. Composed of an assistant principal, 2-3 school counselors, a psychologist, and a social worker, each team monitors students according to academic, behavior, and attendance factors. Any student displaying indicators of concern receives concentrated attention and support. The school counselor remains the best point of contact for any parent interested in knowing more about the student support team model.

Contact the Student Services Office at 847-755-2630.

STUDENT SERVICES

The Student Services Department supports every Fremd High School student. Students are assigned a school counselor who serves as their main point of contact for all school-related matters throughout high school. Students can request an appointment with their school counselor during any non-academic period of the student's school day.

Counselors lead students through grade-specific activities and lessons during the school year. The activities, often provided in classroom settings, are designed to support student development in the areas of academic proficiency, post-high school planning, and social-emotional well-being.

Parents are encouraged to contact their child's school counselor anytime the parent seeks greater insight about their child's status in school. The counselor has access to a variety of resources to assist parents and can facilitate connections with others in the school as needed.

Registrar

The Registrar's Office maintains all permanent school records and manages the collection of student's grades at the conclusion of each semester. Permanent records are maintained for sixty years after a student graduates, transfers, or permanently withdraws from school.

ACADEMIC SUPPORTS AT FREMD

At Fremd High School, we strive to provide academic support for all students, in order to enhance student success. While students are always encouraged to seek assistance from their academic teacher, a variety of resources are available for students seeking additional support.

Grade Reporting

Student grades are reported by semesters. Each semester is made up of 18 weeks. Parents are informed of their student's progress at 6- and 12-week intervals. The 6- and 12-week in-progress grades may include special comments from the teacher. Parents of students having difficulty or doing unsatisfactory work are urged to meet with teachers and/or the student's counselor to discuss improvement options. Specific dates of all student reports are in each school's Calendar Handbook. Additionally, all parents may view the status of their students in classes in which the teacher is using the Infinite Campus Parent Portal.

General Study Hall

All students with a free period are assigned a General Study Hall where they can quietly do work or seek other academic supports in the tutoring center.

Tutoring

Tutoring for various subjects is available throughout the school day and after school. Students are able to drop in for extra support as needed to ensure academic success. Students are always encouraged to talk to their teachers about specific issues in their class. Tutoring is also available after school on designated dates.

Guided Study Hall/Academic Support

Students may be assigned to a Guided Study Hall or Academic Support. This study hall offers a smaller setting in which they may receive one-on-one guidance from a staff member. In addition, students will work to develop study, organizational, and other academic skills.

Need Help, But Not Sure Where to Begin?

If a student has academic questions or difficulties they should contact their classroom teacher for help. Parents may contact teachers through email or by phone. Questions regarding scheduling, emotional health/wellness support, or post-secondary planning can be addressed by a student's counselor. Students who may not know where to begin for support may visit their counselor to engage them and help to ascertain their unique needs.

ACT Prep

Fremd will be offering an ACT prep course available to all Juniors interested in learning test taking strategies starting in October. This opportunity will be focused on preparing for the test, strategies, and resources only.

If you are interested in content-based support in either Math or English, after school support is also available starting in September. You can find out more information about the ACT resources available to students by visiting the standardized testing information page on our website <https://adc.d211.org/Page/7060>.

Student Support Team (SST)

Each SST consists of an administrator, counselors, psychologist, and social worker, which provides one point for parents and students to access support services. This team format provides an opportunity for staff to collaborate and to address attendance, behavior, and academic issues quickly and efficiently.

VAMP

Fremd High School's VAMP Program (Viking Ambassador Mentoring Program) is a student mentorship program aimed at easing the transition to high school. Student mentors have been selected based on their leadership qualities. Student mentors and visitors to the program conduct lessons three days a week for our freshman students during the first semester's first half of their lunch period. These lessons are focused on providing students with resources for a successful student career and helping students establish a sense of belonging at Fremd High School. On Mondays and Fridays, students have the opportunity to check their academic progress or spend time receiving tutorial supports. At the end of the first semester, the VAMP curriculum will be complete.

Illinois School Code requires all incoming 9th graders to have a valid physical examination and up-to-date immunization records on file with their high school prior to beginning freshman year.

Students cannot attend school unless these requirements are satisfied. The physical exam must be documented using the official State of Illinois form available on the District 211 website at <https://adc.d211.org/health-exam-form>. **The physical must be completed within 12 months of the start of school which is on or after August 10, 2025.**

School Health Services

Fremd High School's Health Services office is staffed by a school nurse and a health clerk who provide support for illnesses, known medical conditions, and injuries. In the event a student must be sent home from school for a medical reason, the Health Services office will notify the parent/guardian. In cases where the parent/guardian is unavailable, the office will contact an adult listed as an emergency contact on the student's school registration information. Please make sure emergency contact information is up to date.

The Health Services office will only administer prescription and non-prescription medications in school after the parent/guardian has provided a signed copy of the Authorization for Administration of Medication form. Families of students with chronic health conditions should contact the Health Services office to discuss appropriate accommodations for the student.

The Fremd High School Nurse is available via phone at 847-755-2662.

SOFTWARE SYSTEMS & USER ACCOUNTS

A variety of software systems are used to maintain student information, manage instructional tasks, and support student development. Parents and students alike have access to these systems, and parents are encouraged to establish user accounts for each system and reference the library of tutorial videos to learn how to maximize the use of these systems. The tutorial videos are available on the District 211 website at adc.d211.org/page/7133.

Infinite Campus

Infinite Campus (IC) is used to manage student data such as contact information, attendance, grades, and assessment scores. The IC portal is located at <https://campus.d211.org/campus/portal/township.jsp> and requires parents to create a unique individualized user account. Account creation requires an activation key and all parents are sent that key during the fall of their child's 8th grade year in anticipation of entrance to high school. Parents of transfer students will receive an activation key upon school enrollment. Parents are discouraged from sharing their IC password with their child since the parent account includes privileges unique to the parent's role. Students have their own IC accounts.

Schoology

The Schoology portal is located at <https://d211.schoology.com/login?&school=13690631>. This platform helps teachers track, report, deliver, and collect instructional materials. Parents will receive an email early in the school year with details about accessing Schoology, including an individualized username and temporary password. Once in Schoology, parents will be able to see every course associated with their child.

MySchoolBucks

MySchoolBucks is the exclusive system for District 211 parents to make school meal prepayments, as well as make online payments for monetary transactions with the school such as iPad protection plans and repair costs, student parking permits, and more.

Parents can create a free MySchoolBucks account by www.myschoolbucks.com or downloading the MySchoolBucks app to their mobile device. Please contact the District 211 Food and Nutrition Services department at 847-755-6681 if you have questions about this free service.

Maia Learning

MaiaLearning is D211's college and career readiness platform that engages students in planning their future. Students can use MaiaLearning to learn about their interests and strengths and explore postsecondary and career options based on their interests. Students can build academic, postsecondary, and career plans, create resumes and portfolios and manage college applications, letters of recommendation, and transcripts. Community service hours and work experience are entered into Maia Learning to display on a resume and for Harper Promise. <https://www.maialearning.com/v3/>

Traversa Ride 360

The Traversa Ride 360 mobile app provides secure access to student routing information. Ride 360 provides quick access to your child's routing information, including the bus stop, route, and bus number. Ride 360 can also utilize GPS data to give parents and guardians access to information on where their child's school bus is, the planned bus path, and what time it is expected to be at their scheduled bus stop.
