

PLACEMENT EXAM

Incoming freshmen are required to complete a placement exam which assists in determining English, math, and science course placement along with identifying students for required participation in the Incoming Freshmen math and reading summer school programs.

The fall administration is the first digital administration of the PSAT 8/9. The PSAT 8/9 is part of a series of exams offered by the College Board and serves as a precursor to the SAT. The SAT serves as both a college entrance exam and is used by the State of Illinois as its mandated assessment for grade 11 students. More information about the PSAT 8/9 is available at <https://satsuite.collegeboard.org/psat-8-9>.
