

ATTENTION STUDENTS

Please note changes for riding the school bus this school year

- Wear your face mask at the bus stop and while on the bus. One will be handed to you if you don't have one.
- At the bus stop, lineup in a single file line. Abide by social distance and stay at least 6' apart.
- No eating or drinking on the bus
- When you board, go back as far as seats are available (load back to front). When you unload, the front goes first (unload front to back). Do not stand until the person in front of you is moving down the aisle. Take turns, alternating from one side to the other.
- Sit one person per seat until all seats are full. Members of the same household will share a seat and sit together.
- Please keep the seat directly behind the driver open as much as possible.
