Dear Parent:

Recently, the United States Food and Drug Administration approved use of the Pfizer COVID-19 vaccine in individuals 12 years and older. District 211 is pleased to offer an opportunity for families to have their school-aged children vaccinated against COVID-19. In partnership with Jewel-Osco and School District 15, High School District 211 will host a vaccination event at **Palatine High School on Thursday, May 20 between 1:00 p.m. and 7:00 p.m.** Palatine High School is located at 1111 N. Rohlwing Rd., in Palatine. ***This vaccination event is for District 211 community school-aged students, 12 years and older.***

Anyone receiving the first dose of the vaccine on May 20 will be automatically scheduled for the 2nd dose of the Pfizer vaccine on **Thursday, June 10**. The 2nd dose administration also will take place at Palatine High School and the appointment time will be the same as the 1st dose. **Please ONLY sign up if your child is able to be present for both the 1st and 2nd dose dates.**

Parents should accompany their child. Any students under the age of 18-years-of age must provide a completed and signed parent/legal guardian [consent form](#) for immunization. The consent form and information on the Pfizer vaccine is included with this communication.

All scheduling of vaccinations will be done through the following Jewel-Osco moderated link:
