English 101/102

Freshman Year, we'll be talking about identity. Please choose a book that you ENJOY for your summer reading. As you read, consider how it helps you define yourself and the world around you; we'll talk about this when you enter your English Class this fall!

We have two caveats:

First, you must choose a novel appropriate to your reading level. Second, your parent(s)/guardian(s) must approve the novel choice.
