

March 2019

I'm not a big believer in Groundhog Day, but I do like it when the clocks change. To me, that is a sure sign Spring is on the way! And with that, H.E.L.P. has been busy with our spring / end of the year events.

At our last meeting, Mr. Schumacher gave us a tour of the new Media Center complete with a meeting area, classroom areas, mini cafeteria, career advisors on site, and of course a relaxing area in which students can study in front of the fire which was funded by H.E.L.P. I am confident students will make good use of this extraordinary outlet and I am so proud we were able to be a part of it!

H.E.L.P. continues to sell **congratulatory yard signs** honoring our graduating seniors. This is a great way to show your support for the class of 2019. And as our seniors prepare for the next step in their journey, scholarships may become more meaningful. In this newsletter, you will find **valuable information on the scholarships H.E.L.P. offers**. Opportunities like these should not be overlooked. ***Please note dates and deadlines.***

Our Post Prom Committee has been working hard to put together an exciting package to extend the excitement of Prom Night. ***Please be mindful of forthcoming information including dates and times of ticket sales.***

The Nominating Committee presented the **2019 - 2020 Slate** at our last meeting. We will be voting at our April meeting. If you would like to strengthen that connection between your student and school by getting involved with H.E.L.P., please let us know. Committees can always use volunteers and we can always work around your schedules.

H.E.L.P. has a few meetings remaining for this year and you are always welcome to join us. Our meetings are held on the second Tuesday of each month at 7:30 p.m. in the Principal's Conference Room.

Have safe Spring Break!
Go Hawks!

Chelle Kase
2018 - 2019 President
H.E.L.P.
