PAY BUS RIDER REQUEST

May 1, 2023

Dear Parents/Guardians:

In the process of developing bus routes for the 2023 - 2024 school year, it was noted that you reside within 1.5 miles of the District 211 High School your student will be attending. Bus transportation for students who reside within 1.5 miles is available at a cost of \$200.00 per year. In order to assure seating and develop the most efficient bus routes and schedules, the Transportation Department needs to know the residence location of each student to be transported well before the start of school. Therefore, reservations for pay bus rider seating must be received no later than July 1, 2023. After that date, a \$35.00 late fee will be added per student. If changes occur in the upcoming school year that restrict student attendance at school, refund information will be communicated at a later time.

If reservations are desired, please fill out this form and take to your students' school with payment

Upon receipt of this form, you must pay by cash or credit card \$200 per rider through July 1 and after that date \$235 per rider at your students' school. Payment must be in full before a route will be assigned. Reservations received after July 1, will be accommodated as bus availability allows.

An assigned bus route will be shown in the student portal under Transportation after August 6, 2023.

If you have any questions, please contact Transportation at Transportation@d211.org or by calling 847-755-6796.
