Freedom of Information Act Requests

The Board of Education received and reviewed a report on Freedom of Information Act requests and responses.

2020-2021 School Year Update

Superintendent Small provided an update on the 2020-2021 school year – including the upcoming summer school and Summer Advancement Program of which there are over 170 combinations; most of the courses being moved to in-person learning; registration for semester one summer courses occurring through June 7, 2021 and for semester two summer courses occurring through June 29; the connections between District 211 staff and students and the student social-emotional learning and support throughout the school year that will continue during summer school and through connections with the Summer Advancement Program; the summer school safety protocols following the most current ISBE, IDPH, Cook County Department of Public Health, and Illinois High School Association recommendations and if these entities are in conflict with each other, the Board will be notified; and if these entities are restricting in-person instruction opportunities this summer, the Board of Education will be notified.

Superintendent Small thanked the staff at Palatine High School and at Hoffman Estates High School for hosting vaccination clinics for any children ages 12 and older living in the District 211 community. District 211 partnered with Jewel-Osco and Districts 15 and 54 for these events.

Since the beginning of the pandemic, the Food and Nutrition Services Department has provided over 1.8 million meals to community children and throughout the summer, District 211 will continue its meal service for the families as part of District 211's outreach to the community; drive-thru meal service will occur weekly on both the north and south sides of the District and will include free breakfast and lunch meals and a gallon of milk for children in the community.

Superintendent Small thanked the 2000 employees for their work this year and the staff, students, and parents for being a part of the solution to move forward in these challenging times.

Superintendent Small remarked that Executive Orders issued by Governor J.B. Pritzker ordered Illinois school districts to follow IDPH and ISBE guidance to take proactive measures to ensure the safety of students, staff, and visitors, and for the appropriate use of personal protective equipment by students, staff, and visitors – including the use of face coverings by individuals who are able to tolerate them. The IDPH and ISBE have the authority to enforce their guidance, the ISBE can initiate a process to withdraw a recognition and funding from a district that refuses to follow state mandates, and the IDPH has the authority to close schools to prevent the probable spread of a dangerously contagious or infectious disease and can do so without the consent of a court order within the reasonable judgment of the IDPH when it is needed to protect the public. Continued mask wearing at school is required and the District will watch for updates from the ISBE and IDPH.

Ms. Cavill asked questions regarding support for students for in-person learning for summer school; Superintendent Small answered her questions.

The following Board member made a statement about the guidelines by the state, the use of face masks, and communication to parents: Mrs. Klimkowicz.

2021-2022 School Year

Superintendent Small gave an overview of the 2021-2022 school year – including the plan for a traditional school year with a traditional schedule with the expected eight-period day for Palatine, Schaumburg, James B. Conant, and William Fremd High Schools and a four-period block schedule for Hoffman Estates High School as presented at the March 18, 2021 Board of Education Meeting; the Illinois State Board of Education May 19, 2021 resolution that states that all schools are to resume full, in-person learning for all student attendance days; students who have a medical condition which may require at-home instruction being able to follow the Illinois School Code that requires that these students be provided an education at home; each school's student services team assisting families with any unique medical conditions which may necessitate instruction from home; the beginning of the 2021-2022 school year having no alternate schedule besides the traditional schedules used in a typical school year; and the ISBE and IDPH safety protocols will be presented to the Board of Education when they are released.

Ms. Cavill asked questions about the accommodations for students with medical conditions; Superintendent Small answered her questions.

Proposed New Policy: Use of Educational Technologies and Student Data Privacy and Security

President Klimkowicz gave an overview of the procedures for the Administrative Board Policy Group involving the three policies on tonight's Board Meeting agenda – including the group's meeting with administrators to get the Board perspective before presenting the policies under review to the Board for a first reading and if there is anything that the Board agrees that needs to be changed, the change will be discussed at the Administrative Board Policy Committee meeting before they will be presented to the Board of Education for a second reading and review.

The following Board made a statement about the Administrative Board Policy Group meeting: Mr. Cramer.

A member of the audience asked a question and President Klimkowicz made the following remarks:

“At this point, we’re not able to have a dialogue or answer your questions. I would recommend that you give Mr. Kovack your name and contact information and we will see if we can respond to your question.”

The Board of Education received, reviewed, and discussed a proposed new policy pertaining to the use of educational technologies and student data privacy and security.

Proposed Policy Revision: BD School Board Meetings

The Board of Education received, reviewed, and discussed a policy revision to Board Policy file: BD – School Board Meetings.

The following Board members made statements regarding the use of Zoom for public comments: Mrs. Klimkowicz and Mr. Cramer.

Proposed Policy Revision: DJC Bidding Requirements

The Board of Education received and reviewed a policy revision to Board Policy file: DJC – Bidding Requirements.

The following Board members made statements about Board members’ attendance at public bid openings and bidding requirements: Mrs. Klimkowicz and Mr. Cramer.

Superintendent Small remarked that it is not required for a Board Member to attend public bid openings.

The following Board members made statements about the Administrative Board Policy Group meeting schedule: Mr. Rosenblum, Mr. Cramer, and Mrs. Klimkowicz.

Board Member Expenses

Ms. Cavill made a motion, seconded by Mr. Rosenblum, that the Board of Education approve the Pre-Approval Form for Future Expense Reimbursement for Steven Rosenblum to attend the Triple I Conference, November 19-21, 2021, including potential pre-conference workshop as submitted.

On which motion a roll call vote was held with the following results:
