Dear Students:

Our school’s afternoon academic support sessions begin today. These sessions offer you the unique opportunity to take advantage of small group tutoring, individualized course assistance, and, when possible, hands-on laboratory experiences. Each of our departments has developed experiences to help you succeed and achieve a high level of academic success. We highly encourage you to take advantage of these opportunities that are scheduled Monday through Thursday from 2:00 p.m. until 3:30 p.m.

**Academic Support Sessions Available**
Beginning today, all afternoon academic supports will be available virtually through Zoom. In addition, the following academic supports are available in-person: ESL, Applied Technology, Business, and Family & Consumer Science.

**How to Sign Up for Academic Support**
In order to participate in an academic support session, you will need to schedule an appointment. You can view the academic support options for both A days and B days in the [Conant Academic Support Course in Schoology](#). Once you choose a support option and click on the sign-up link, you will access our Conant High School SignupGenius site. As you complete the sign-up form, you will be asked to answer a series of questions and enter your school-provided email address. It is important for you to use your school email address to sign up. Once you complete sign-up, a confirmation email will be sent to you.

**What to Do When You Come to School for an In-Person Session**
Only students who have a confirmed appointment for afternoon academic support and have successfully completed the school’s Wellness Screening will be allowed to enter the school. Students may enter through doors 1 or 25 where they will complete the final steps of the screening process.

**Wellness Screening**
After scheduling an appointment for an in-person academic support session, you will receive an appointment confirmation email which will include a link to our online Wellness Screener. **You must complete the screening at home prior to traveling to school.** The screening result must indicate a “green check mark” or you
will not be able to enter the school. If your screening results in a "red X," you cannot attend the in-person academic support session. Your parents should follow up with your physician, as well as call the school nurse at 847-755-3662 to report the presence of COVID-related symptoms or other risk of exposure revealed through the screening process. A school representative will follow up with your parents later in the day to determine your readiness to come into the school on a future date.

Additional information about the online wellness screening survey is available [here](#).

**Temperature Screening**
All students who enter the school building will have their body temperature scanned to verify fever-free status. If you have a temperature of 100.4 degrees or above, you will not be able to attend the in-person academic support session and your parents will be contacted to arrange your return home.

**Transportation**
If you have an appointment for an in-person academic support, you may provide your own transportation or take a bus. Mid-day bus routes are available each day that afternoon academic support sessions are offered. Please report to your bus stop no later than 15 minutes after the end of period 4 on both A and B days.

If you have questions about our afternoon academic supports, please contact your administrator or guidance counselor by calling 847-755-3600.

Thank you,

Julie Nowak
Principal
