

2020-2021 SCHOOL DAY SCHEDULES

Remote Scenario Most Likely While State is in Phase 3

ALL STUDENTS REMOTE SCHEDULE (No Students Physically Present in School)

Students attend school 5 days of remote class per week. Schools would implement an alternating day model with 4 classes (Periods 1-4) on the first day and 4 classes (Periods 5-8) on the next day.

	Mon. A-Day	Tues. B-Day	Wed. A-Day	Thurs. B-Day	Fri. A-Day
8:15-9:15	Per. 1 Class Remote	Per. 5 Class Remote	Per. 1 Class Remote	Per. 5 Class Remote	Per. 1 Class Remote

2:00-3:30	Independent/flexible student work time & teacher collaboration and office hours				
Activities & Sports	Remote connections to coaches and sponsors				

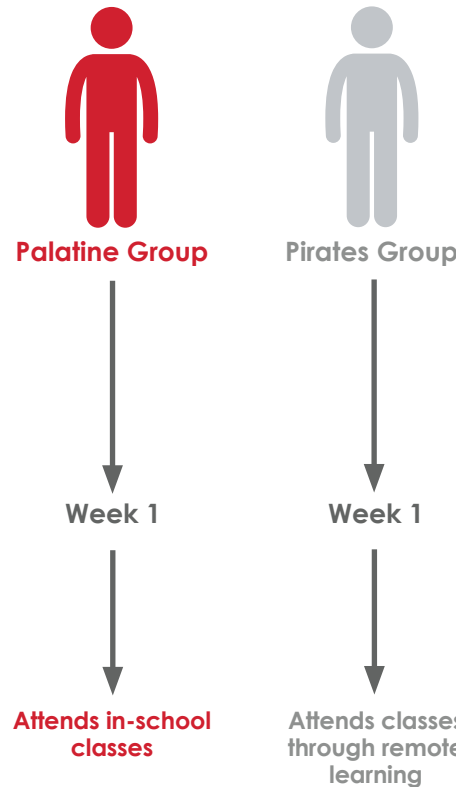

Note: A-Days and B-Days will alternate each day that the school is observing remote learning

Hybrid Scenario Most Likely While State Imposes 50-Person Restrictions for Groups

HYBRID SCHEDULE (Half the Students Physically Present in School)

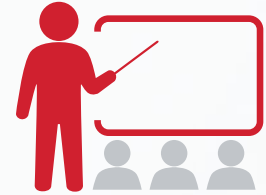

50% of students physically attend school for a full week, while 50% of students attend school remotely for a full week. Each student group rotates weekly between remote attendance for school and physical attendance.

Same bell schedule as Remote Scenario – please see reverse side.

Example: Palatine Group is in-person for the week, while Pirates Group connects to classroom remotely for the week. These are switched the following week; Palatine Group connects to classroom remotely, while Pirates Group is in-person.

Traditional Scenario Most Likely When Groups Can Be Much Greater than 50 People
