

# SCHOOL SAFETY PROTOCOL

2020-2021 School Opening Plan

District 211 Return to School Plan | Health and Safety - 1st Priority

## Wellness Screening

Verifying the health status of employees and students each day

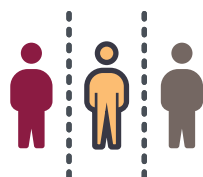

- ◆ Daily symptom self-check
- ◆ Completed at home before leaving for school
- ◆ If ill, stay home

## Transportation

Applying targeted routines and practices to school bus ridership

- ◆ Face masks required
- ◆ Back to front loading
- ◆ Staggered seating
- ◆ School buses disinfected after each route

## Entrance Protocols

Admitting people to our buildings efficiently while guarding against health threats

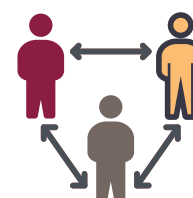

- ◆ Face masks required
- ◆ Designated and supervised entrances
- ◆ Body temperature screening for all entrants

## Cleaning Procedures

Increased school-wide cleaning and disinfecting

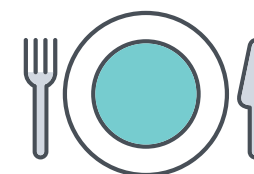

- ◆ During the school day, frequent and regular disinfecting of:
  - High-touch surfaces
  - Common areas
  - Classrooms & equipment
- ◆ After hours "deep cleaning"

## Movement

Managing the flow of people throughout the school

- ◆ Staggered passing periods
- ◆ Controlled hallways to limit groups and aid in distancing
- ◆ Assigned spaces for students each period of the school day

## Meals

Providing nutrition while respecting health and safety protocols

- ◆ In-school needs
  - Breakfast options
  - Lunch options
- ◆ Meal bags available for students during remote learning days

### Remember to

practice social distancing and frequent handwashing/hand sanitizing
