Dear Parents and Students:

Welcome to the 2023 High School District 211 College Night. We hope that the information you obtain will be helpful in your college planning.

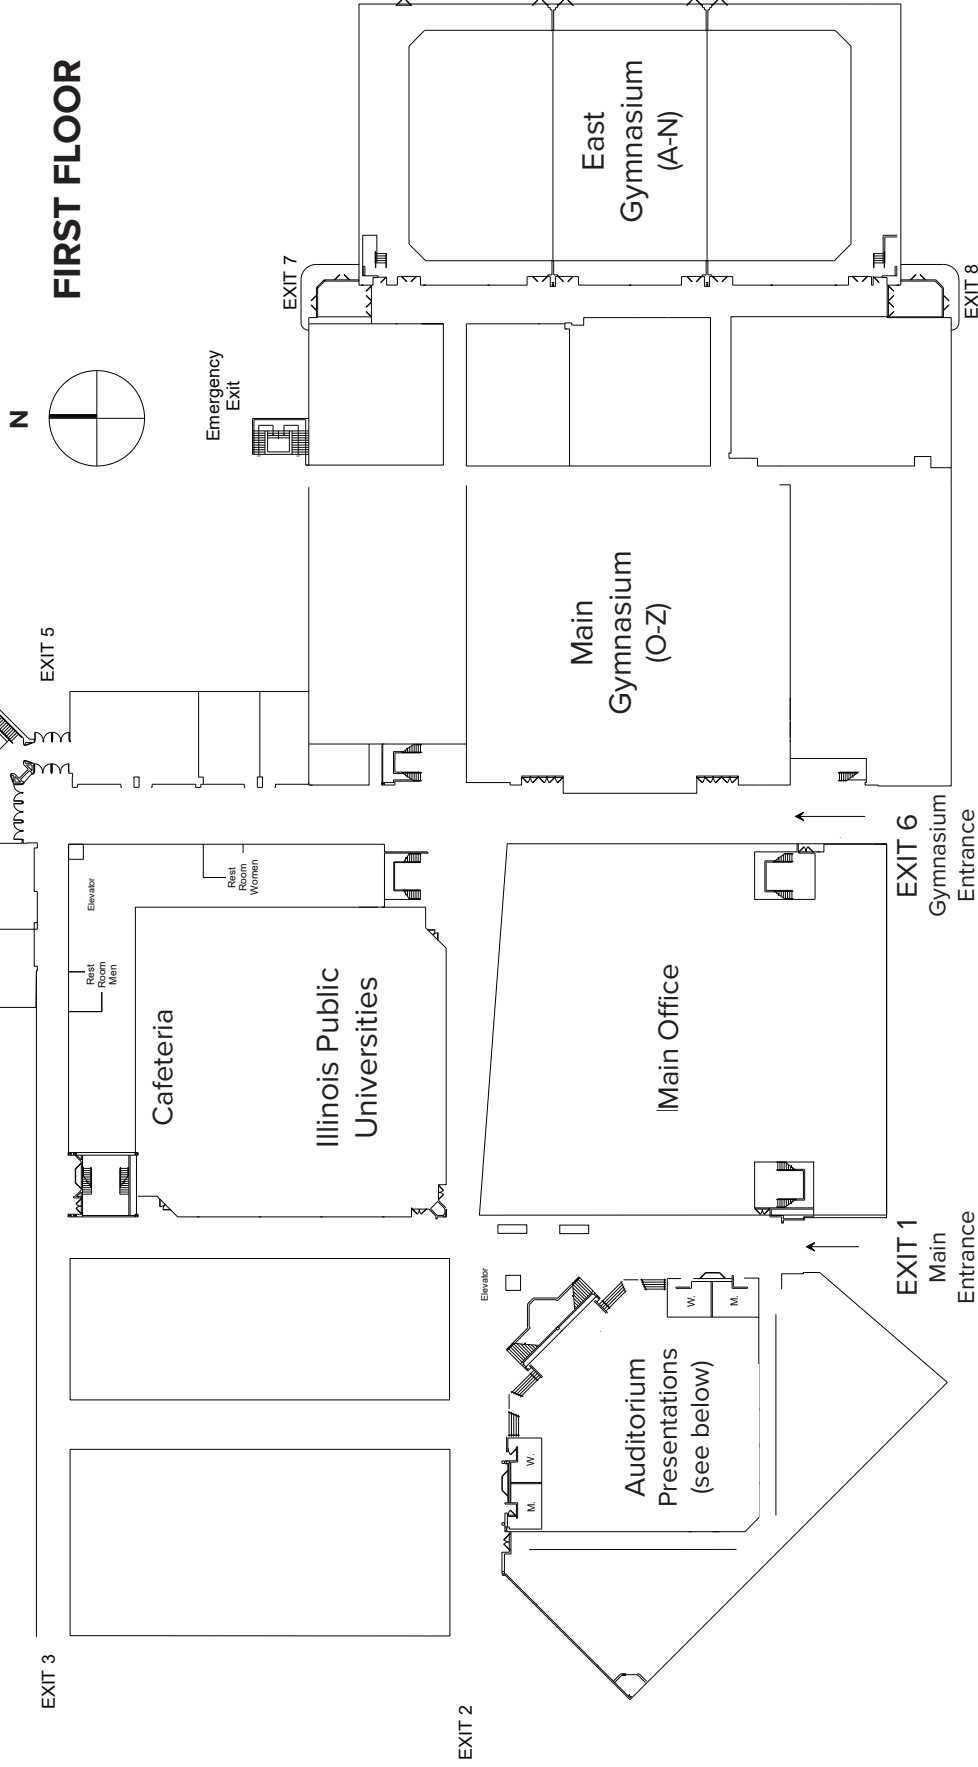

The institutions listed on the following pages represent colleges of a variety of types from various parts of the country. The college representatives are prepared to discuss admission requirements and procedures, curriculum offerings, scholarships, financial aid information, housing options, and programs for advanced study. MaiaLearning can provide information on schools and admissions processes as well.

Prior to meeting with the college representatives, prepare your questions using some suggestions below.
