Dear Prospective Renter,

“Effective July 1, 2021, all rental requests are being accepted. All requests will be evaluated to determine facility availability, school staff safety, staffing limitations, and cleaning requirements. We will review your application within thirty (30) days of receipt.

The safety of District 211 facilities, students, and staff will be prioritized in determining approved rentals. All approved renters are responsible for abiding by the current state restrictions and recommended safety protocols. District 211 is not responsible for the COVID safety protocols a renter either employs or fails to enforce. District 211 maintains the right to cancel any rental that is deemed to be operating unsafely.

Due to the continued need for increased sanitation and cleaning procedures in our schools, please be aware that custodial costs will likely increase to account for increased staffing and custodial hours necessary to properly disinfect all facilities that are used by renters. Township High School District 211 makes its properties available to organizations who meet the following criteria:”

- A. Financially responsible not-for-profit organizations located within Township High School District 211 whose purpose includes service to the community.
- B. Established churches and congregations.
- C. Youth serving organizations who have the majority of their membership from Township High School District 211, and whose primary support is by voluntary contribution.
- D. Non-profit organizations and groups.
- E. Public and private educational institutions who have the majority of their membership from Township High School District 211.

If your organization meets the above criteria, please complete and return pages 4-5 of the application packet. We require a copy of your current proof of non-for-profit status and tax-exempt letter to be on file. Also, proof of insurance (COI) will be required to be updated annually.

Please note, effective July 1, 2017 facility rental rates have been revised and are reflected on the Facility Temporary Use Agreement. Additionally, rental requests exceeding \$500 will be subject to a 10% deposit. All rentals more than 6 months in duration are required to remit payments at three-month intervals.

Sincerely,
Matthew J. Hildebrand
Director of Administrative Services

An additional insured endorsement shall be attached to the certificate naming the District 211 as an additional insured on a primary and non-contributory basis. **Failure to supply the certificate of insurance along with the additional insured endorsement as stated above will result in cancellation of this rental.**
2. **PAYMENT:** All rentals exceeding \$500 (not including costs associated with custodial fees) will be required to provide a 10% deposit to secure the rental and cover the costs of incidental damage to D211 property. The deposit must be remitted prior to the first date of the requested rental term. The 10% deposit will be applied to the final invoice and that amount deducted from the total bill. 3. **CANCELLATION:** The School District may cancel the facility use at any time up to 48 hours before the activity for any reason, and with less than 48 hours in emergency circumstances. Notice will be given to the Undersigned or to the User at the addresses shown on this application. The User may cancel with at least 48 hours' notice given to the School District. Payment will be returned upon proper cancellation by either party. Failure by the User to notify in case of cancellation will result in a two-hour use charge.
4. **SUPERVISION:** Activities involving children require adequate adult supervision (age 21 or older). No less than one adult for every 15 children is required. Adult supervisors are responsible for maintaining order and control of children during the activity. For crowd control at social and sporting events attended by more than 50 persons, the School District may require the lessee to arrange and pay for, at his/her own expense, one police officer for each 150 attendees. Administrative representatives will be assigned for all groups of 500 or more.
5. **DAMAGES:** User assumes full responsibility and shall reimburse the School District within 30 days after incurring the cost of repair of any damage resulting from User's activity. The School District shall not be responsible for any damage whatsoever to User's property. **Appropriate gym shoes must be worn in the gymnasium at all times.**

User's participants may not be under the influence of drugs, alcohol, or other intoxicating substances and may not use tobacco products on school property. Games of chance including, but not limited to, raffles, lotteries, bingo, or any form of gambling may not be conducted on school property. User's participants are not to be disruptive to property adjoining school grounds or to other users of the School District's facilities. User's activities may not violate any applicable federal, state, or local law or regulation. Special use permits (if required by the village) are the sole responsibility of the tenant.
