When any school is authorized to issue bonds, the school board shall file a certified copy of the resolution in the office of the county clerk of each county in which the district is situated to provide for the issuance of the bonds and to levy a tax to pay for them. The county clerk shall collect the tax on bonds and interest as set forth in the certified copy of the resolution, each year during the life of the bond issue. Therefore to avoid a possible duplication of tax levies, the school board should not include a levy for bonds and interest in the district's annual tax levy.
