

Conant Parents:

As part of District 211's freshman orientation program, Conant High School will host several sessions this summer for the Class of 2029 and their parents. Each session includes a presentation by a member of our Student Services Department, followed by a guided tour of the school.

These sessions are designed to help students and families become familiar with our curriculum, counseling services, four-year academic planning, school policies and procedures, extracurricular activities, and other important topics.

[Click here to register](#). Registration assistance will be available at **tomorrow evening's Activities & Athletics Fair**.

SAVE THE DATE! The Class of 2029 is invited to a kick-off event the evening of **Wednesday, August 6**. Incoming freshmen will be greeted by members of several Conant student organizations. Details regarding this event will be released during the summer.
