## February in The Library

For being the calendar's shortest month, February still packs a lot of activity into its few days, especially in the library. This month, we celebrate Black History Month, Valentine's Day, with our very own "Blind Date with a Book Challenge," and finish the month off with Conant's Author's Day on February 23rd! We hope you take the time to stop by the Media Center this month and see all there is to offer... Oh, did we mention February is also National Library Lover's Month!? Feel

free to stop by and love your library!
