

## Epic Clinic is Open

- **We are Open.** Epic clinic is open for your urgent care needs. You can come visit us at the clinic. We ask you to call us before your visit..
- **We offer Telemedicine.** If you are sick and prefer to seek treatment over audio/video platform, we offer telemedicine. Most insurances are covering such service. You can [book online](#).
- **Stay calm and support each other.** This is unprecedented situation which is likely to create anxiety and many uncertainties. Positive attitude can help us to get through.

***Call us at 708-733-7750***

Sincerely,

Epic Clinic
