HIGH SCHOOL

CLASS OF 2024
Return to School - 3 Scenarios

2020-2021 SCHOOL DAY SCHEDULES

Remote Scenario
Most Likely While State is in Phase 3

Hybrid Scenario
Most Likely While State Imposes 50-Person Restrictions for Groups

Traditional Scenario
Most Likely When Groups Can Be Much Greater than 50 People

ALL STUDENTS REMOTE SCHEDULE
(No Students Physically Present in School)

Students attend school 5 days of remote class per week. Schools would implement an alternating day model with 4 classes (Periods 1-4) on the first day and 4 classes (Periods 5-8) on the next day.

HYBRID SCHEDULE
(Half the Students Physically Present in School)

50% of students physically attend school for a full week, while 50% of students attend school remotely for a full week. Each student group rotates weekly between remote attendance for school and physical attendance.

ALL STUDENTS TRADITIONAL SCHEDULE
(All Students Physically Present in School)

Students attend class according to their traditional course schedule.

Click here for more detailed information relating to the hybrid scenario.
