

TOWNSHIP HIGH SCHOOL DISTRICT 211 2019-2020 iPad Protection Plan

Dear Parent/Guardian:

Township High School District 211 offers each student the opportunity to limit a family's cost for repair or replacement of a district-assigned iPad as part of the One-to-One Program. The plan protects the iPad against accidental damage (drops/spills), loss, theft, fire, flood, and natural disasters. The protection plan will provide repair and replacement cost coverage and protects the iPad on and off school grounds. The protection plan will **not** provide coverage if:

- **The provided case, or an equivalent case, is not in place**
- **The district-assigned iPad is deliberately damaged or mishandled**

In these situations, the protection plan is rendered null and void and the family will assume all responsibility for the full cost of repairs or the replacement of the iPad.

Program Premium/Coverage

- Non-Refundable Premium: \$25.00
- Limit of Per Claim Liability: \$500.00

Claim	Damage/Repair Maximum Deductible	Claim	Stolen/Non-Repairable Deductible
1	\$25.00	1	\$75.00
2	\$50.00	2	\$100.00
3	\$100.00	3	\$150.00
4+	\$150.00	4	\$200.00

*Note: The deductible is charged for each incident based on the total number of claims filed during the current school year. Repair costs will be the lesser of (1) the actual repair cost and (2) the maximum deductible charge. If a device is damaged beyond repair, is lost or stolen, a comparable replacement device will be provided if available.
