welcome
CLASS OF 2024
William Fremd High School
PLACEMENT TESTING - SATURDAY, OCTOBER 19
See page 4 for details
A MESSAGE FROM KURT TENOPIR
PRINCIPAL OF WILLIAM FREMD HIGH SCHOOL

Dear Parents and Students,

Welcome to Fremd High School! Every school year presents an opportunity for the Fremd High School community to provide students with extraordinary opportunities, innovative teaching, and exceptional learning experiences. From the very first day of high school, the administration and teachers at FHS work to ensure students are preparing for their post-secondary goals. We depend on our entire school community to work together to create a successful educational experience for our students.

The information provided in this booklet is an important first step to student success. It includes very important details about placement testing, special events, course selection, and an overview of the many opportunities we offer our students. I encourage you to review the entire booklet and place key dates on your calendars.

I look forward to your support to make Fremd High School a place where we demonstrate our care for each other and strive for excellence in achievement. By working together, we will sustain a school culture that supports our students in achieving to the best of their abilities!

Sincerely,

Kurt Tenopir
Principal

Welcome to the Viking family! The Fremd High School Student Services department is excited to assist with the transition to 9th grade and looks forward to serving as a resource for you and your student.

During the summer prior to freshmen year, each student is assigned a school counselor. The school counselor will be your main contact for school-related questions throughout your child’s high school experience. The Student Services department also is staffed with school social workers and school psychologists who can provide additional support for students’ social-emotional needs.

The student services faculty members are assembled into three Student Assistance Teams. Each team is composed of 3-4 school counselors, a school social worker and/or a school psychologist, and an intervention administrator. The Student Assistance Teams regularly collaborate to identify students who might benefit from targeted school supports.

The Registrar’s office is part of the Student Services Department and maintains all permanent student records including report cards and transcripts. Residency verification and other enrollment documents are processed through the Registrar’s Office.

The student services department can be reached at 847-755-2630.
ENROLLMENT INFORMATION

The first step toward becoming a Fremd High School student is enrollment, which requires parents/guardians to provide the following documents to the school:

1. **Student Enrollment Form** - Parents were sent a pre-printed enrollment form and we encourage parents to verify the information on that form prior to returning it to the registrar's office. Blank copies of the enrollment form can be downloaded from the District 211 website at [https://adc.d211.org/page/6296](https://adc.d211.org/page/6296). All enrollment forms must be signed by the student's legal guardian.

2. **Original birth certificate** - The original document will be copied and returned.

3. **Proof of residency** - Residency within Fremd High School's boundaries can be demonstrated by providing one of these original documents: a current ComEd or NICOR utility bill, a current lease naming the parent/legal guardian as a party to the lease, or a current property tax bill in the parent’s or legal guardian’s name. Enrollment should not be confused with registration. Enrollment is a one-time process occurring when a student prepares to enter Fremd High School for the first time. Registration occurs annually each summer and includes the payment of required school fees.

Enrollment documents are due by **OCTOBER 11, 2019**

Contact the registrar’s office at 847-755-2628 for further details.

Enrolling in school provides confirmation that the incoming freshman student intends to attend school in the coming school year and allows the school to list the student on its anticipated student roster. The enrollment process must be completed before students will be allowed to take part in incoming freshmen activities including placement testing and course selection.

REGISTRATION INFORMATION

The final step toward becoming a Fremd High School student is registration. Registration is an annual process taking place in the summer months preceding the start of each school year.

Registration cannot be completed unless a parent/guardian has completed the enrollment process.

Families can complete the registration process using the school’s online portal beginning July 1. You will receive details about the registration process, including details about required school fees and optional purchases, in mid-June.

School registration cannot be completed until the 9th grade physical examination and immunization records are verified. See page 3 for details about Student Health Information.

Registration fees may be waived for students who qualify for free or reduced-price meal benefits. Parents can qualify their students for these benefits by submitting an application form. Applications for free or reduced-price meal benefits will be sent to families in late July.
INCOMING FRESHMAN NIGHT

Each year, Fremd High School invites incoming freshmen and their parents to an evening event designed to provide a smooth transition from 8th grade to 9th grade. During Incoming Freshman Night, parents and students receive placement test results along with information about the course planning process, elective course choices, summer school options, and school registration.

Incoming Freshman Night includes a Curriculum Fair with classroom teachers on-hand to answer questions about core classes (English, math, and science) and elective course options.

Fremd High School will host its annual Incoming Freshman Night for the Class of 2024 on Wednesday, December 11, 2019, from 6:30 - 8:30 p.m. Parents of enrolled students will receive more information about this event in November. The presentation will be available in English and Spanish.

Placement test results will be distributed at Incoming Freshman Night.

STUDENT HEALTH INFORMATION

Illinois School Code requires all incoming 9th graders to have a valid physical examination and up-to-date immunization records on file with their high school prior to beginning freshman year. Students cannot attend school unless these requirements are satisfied. The physical exam must be documented using the official State of Illinois form available on the District 211 website at https://adc.d211.org/health-exam-form. The physical must be completed within 12 months of the start of school which is on or after August 13, 2020. You will receive more information about required student health information at Incoming Freshman Night in December.

Incoming freshmen choosing to participate in a Fremd High School summer athletic camp, including pom-poms and color guard, must provide evidence of a valid physical exam within the last 13 months prior to the start of the summer camp which is on or after April 30, 2019.

Religious Exemptions to Required Immunizations
Families seeking a religious exemption from the immunization requirements must use the official Illinois Certificate of Religious Exemption to Required Immunizations and/or Examinations form. This form must be signed by a licensed medical physician.

School Health Services
Fremd High School’s Health Services office is staffed by a school nurse and a health clerk who provide support for illnesses, known medical conditions, and injuries. In the event a student must be sent home from school for a medical reason, the Health Services office will notify the parent/guardian. In cases where the parent/guardian is unavailable, the office will contact an adult listed as an emergency contact on the student’s school registration information. Please make sure emergency contact information is up to date.

The Health Services office will only administer prescription and non-prescription medications in school after the parent/guardian has provided a signed copy of the Authorization for Administration of Medication form. Families of students with chronic health conditions should contact the Health Services office to discuss appropriate accommodations for the student.

The Fremd High School school nurse is Lori Papciak. Mrs. Papciak can be reached via email at LPapciak@d211.org or by phone at 847-755-2662.

School registration cannot be completed until the 9th grade physical examination and immunization records are verified.

Required Dental Examination
All students in the Class of 2024 are required to provide proof that an oral health examination was completed by a licensed dentist between November 15, 2020 – May 15, 2021.

The official State of Illinois oral examination form is available on the District 211 website at https://il49000007.schoolwires.net/domain/3472.
PLACEMENT EXAM

Incoming freshmen are required to complete a placement exam. The results of the placement exam assist in determining the English, math, and science courses the student will participate in during 9th grade. The exam results also help identify students for required participation in the Incoming Freshmen Academy math and reading summer school programs.

Fremd High School uses the PSAT 8/9 as its placement exam. The PSAT 8/9 is part of a series of exams offered by the College Board and serves as a precursor to the SAT, a long standing college entrance exam that also is used by the State of Illinois as its mandated student achievement test for third-year high school students. The PSAT 8/9 provides scores for mathematics and evidence-based reading and writing. More information about the PSAT 8/9 is available on the College Board website at [https://collegereadiness.collegeboard.org/psat-8-9](https://collegereadiness.collegeboard.org/psat-8-9).

The Class of 2024 will take its placement exam on Saturday, October 19, 2019. Testing begins promptly at 8:00 a.m. and students should arrive no later than 7:45 a.m. in order to check-in and locate their assigned testing rooms. Students should bring at least two No. 2 pencils and a calculator when reporting for the placement exam. Calculators are allowed for portions of the mathematics exam, however, smartphones are not allowed to be used as calculators. The exam will conclude at 12:15 p.m. Students will not be dismissed early.

Enrollment materials may be submitted during the placement exam. Students eligible for testing accommodations will receive information about accessing these supports in the weeks leading up to the exam date.

Questions about the placement exam can be directed to Tracy Bafia, director of student services, at 847-755-2626.

TRANSPORTATION TO PLACEMENT EXAMS

Fremd High School provides dedicated bus transportation to and from the placement exam. Students wanting to access this optional service must be at the designated bus stop (intersection) closest to their home no later than 7:25 a.m. on October 19. Questions about bus transportation can be directed to the District 211 Transportation office at 847-755-6798. Bus routes are provided for your reference.

**Bus #1**
- Stop 1 - Algonquin Road at Windemere
- Stop 2 - Versailles at Charlemagne
- Stop 3 - Freeman at Huntington
- Stop 4 - Huntington at Westbury
- Stop 5 - Huntington at Palatine Road
- Stop 6 - Palatine Road at Burnham
- Stop 7 - Palatine Road at Thornback

**Bus #2**
- Stop 1 - Algonquin Road at Windemere
- Stop 2 - Versailles at Charlemagne
- Stop 3 - Freeman at Huntington
- Stop 4 - Huntington at Westbury
- Stop 5 - Huntington at Palatine Road
- Stop 6 - Palatine Road at Burnham
- Stop 7 - Palatine Road at Thornback

**Bus #3**
- Stop 1 - Algonquin Road at Windemere
- Stop 2 - Versailles at Charlemagne
- Stop 3 - Freeman at Huntington
- Stop 4 - Huntington at Westbury
- Stop 5 - Huntington at Palatine Road
- Stop 6 - Palatine Road at Burnham
- Stop 7 - Palatine Road at Thornback

**Bus #4**
- Stop 1 - Algonquin Road at Windemere
- Stop 2 - Versailles at Charlemagne
- Stop 3 - Freeman at Huntington
- Stop 4 - Huntington at Westbury
- Stop 5 - Huntington at Palatine Road
- Stop 6 - Palatine Road at Burnham
- Stop 7 - Palatine Road at Thornback

**Bus #5**
- Stop 1 - Dundee Road at Guthrie
- Stop 2 - Dundee Road at Ela
- Stop 3 - Ela at Kirkwood
- Stop 4 - Ela at Barbury
- Stop 5 - Ela at Baldwin
- Stop 6 - Roselle at Aberdeen
- Stop 7 - Roselle at Loch Lomond
- Stop 8 - Palatine Road at Clyde
- Stop 9 - Middleton at Wood
- Stop 10 - Cornell at Quentin

**Bus #6**
- Stop 1 - Pheasant at Firth
- Stop 2 - Kenilworth at Whitehall
- Stop 3 - Kenilworth at Middleton
- Stop 4 - Kenilworth at Elm
- Stop 5 - Elm at Palatine Road
- Stop 6 - Palatine Road at Cedar
- Stop 7 - Cedar at Pleasant Hill
- Stop 8 - Pleasant Hill School (on Cedar)

**Bus #7**
- Stop 1 - Algonquin Rd. (Int’l Village)
- Stop 2 - Old Plum Grove and South Plum Tree Lane
- Stop 3 - Old Plum Grove and Smith
- Stop 4 - Emerson at Brockway
- Stop 5 - Dupont at Brockway
- Stop 6 - Vermont at Wilson
- Stop 7 - Hoover at Lincoln
- Stop 8 - Benton at Illinois
- Stop 9 - Benton at Helen
- Stop 10 - Helen at Brockway

**Bus #8**
- Stop 1 - Roselle Road at Balmoral
- Stop 2 - Roselle Road at Valley Lake Drive
- Stop 3 - Roselle Road at Shires
- Stop 4 - Quentin Road at Highland (West side of Quentin)
- Stop 5 - Quentin Road (College Hill South entrance)
- Stop 6 - Old Plum Grove Road and Pine Valley
- Stop 7 - Hartung and Fox Lane
- Stop 8 - Arrowwood and Deerfield
- Stop 9 - Highland and South Parkside

**Bus #9**
- Stop 1 - California and Tall Trees Court
- Stop 2 - Californai and Dawn Gate Lane
- Stop 3 - Creekside and Frontage
- Stop 4 - Briarwood and Circle Drive
- Stop 5 - Walden Apartments (Thoreau & Skywater)
- Stop 6 - Woodfield Garden Apartments (Circle Arbor Drive)
- Stop 7 - Meacham and Briarwood
- Stop 8 - Meacham and Forest

**Placement Exam**
**Saturday**
**October 19**
**8:00 A.M.-12:15 P.M.**
## COURSE SELECTION AND ELECTIVE COURSE REQUESTS

Incoming freshmen will be placed into specific English, Math, and Science courses based on placement test scores and recommendations from 8th grade teachers. The typical freshmen will participate in the following set of courses:

1. English
2. Math
3. Science
4. Wellness
5. Study hall
6. Elective #1
7. Elective #2
8. VAMP

**Elective course options** will be provided to you in late October. We encourage you to review these options with your child’s academic readiness, personal interests, and future goals.

**Elective course requests** will be collected via the D211 Infinite Campus Parent Portal and specific instructions for using this system will be sent to you in late October. The deadline to submit elective course requests is December 18, 2019.

---

## MATH PLACEMENT

Math placement is finalized in the spring for all students initially placed into a math course of geometry or higher.

## FRESHMEN STUDY HALL

Select students will have the option to take a third elective course in lieu of the required freshmen study hall. Eligible students will be notified of this option in late January.

## AP SEMINAR

Students scoring in the top 20% of their class on the placement test are invited to take the District 211 Creative Aptitude Problem Solving (CAPS) assessment on January 8, 2020. Results of the CAPS assessment will be used to determine eligibility to take the AP Seminar course. A full description of AP Seminars is available in the District 211 curriculum guide [https://adc.d211.org/curriculum-guide](https://adc.d211.org/curriculum-guide).

---

## COLLEGE MAJORS AND CAREER CLUSTERS

High School District 211 has aligned its curriculum according to 16 career clusters as defined by the National Career Cluster Framework. Each cluster is composed of career fields that are related by specific skills and areas of knowledge.

Xello, an online software tool, helps students build self-awareness, explore options, create plans, and make decisions about life after high school. Incoming freshmen will be asked to complete the Xello Career Matchmaker survey prior to selecting elective courses. The survey results can help guide students to choose elective course options based on career clusters connected to students’ future plans.

More details about District 211’s curricular alignment with the 16 career clusters is available online at [http://www.d211careercluster.org/](http://www.d211careercluster.org/).
High School District 211’s goal is to have all students graduate from Fremd High School with the equivalent of at least 15 college credits. This goal is called the “Power of 15” because students who earn at least 15 college credits while still in high school are more likely to experience success after high school. Students can earn college credit by:

- Participating in an Advanced Placement (AP) course and earning a passing score on the AP exam
- Taking a Dual Credit course (a course that provides both high school and college credit simultaneously)
- Completing selected Project Lead the Way (PLTW) pre-engineering courses and passing associated end-of-course exams

The District 211 Curriculum Guide identifies both AP and Dual Credit courses. It also provides more background information about the impact student grades in Dual Credit coursework may have on the student’s eligibility for post-high school financial aid.
SUMMER SCHOOL

Incoming freshman students are eligible and encouraged to attend summer school courses prior to the start of 9th grade. Participation in summer school can assist with the transition to high school and strengthen skills needed to be successful in the high school classroom. Some summer courses are designed exclusively to support students’ exploration of specific Career Clusters.

Some students are required to attend Incoming Freshmen Academy summer courses relating to math and reading skill development. There are no course or transportation fees associated with these required summer courses. You will be notified in January if your child qualifies for the Incoming Freshmen Academy.

Summer school is organized as two 3-week sessions. Classes meet Monday through Thursday. Summer classes do not meet on Fridays. In 2020, the first session will run from June 2 - June 23. The second session will run from June 24 - July 15.

Look for information about summer school registration and fees in the spring.

STUDENT READINESS PLAN

The District 211 Student Readiness Plan is designed to help students prepare for high school graduation and their lives as independent young adults. The Readiness Plan focuses on five essential readiness components: Academic Readiness, College & Career Exploration, Involvement, Global Competitive Skills, and Wellness.

All Fremd High School students are assigned an account within the District 211 Student Readiness Plan online portal providing them with a centralized hub to create individualized goals, measure progress, and track activity throughout their high school experience.

During each year of high school, your child’s school counselor will lead your student through targeted activities that directly connect to various elements of the Student Readiness Plan. Parents have access to view their children’s Readiness Plan and are encouraged to have discussions with their children about goals and overall status. More information, including log on instructions, is available at https://adc.d211.org/studentreadiness.

FRESHMAN ORIENTATION SESSIONS

This summer, Fremd High School will host orientation sessions for all incoming freshmen and their parents. Facilitated by school counselors, these 60-minute orientation sessions provide small groups of participants with a deeper understanding of the school's curriculum, guidance service model, and technology resources. The specific orientation sessions dates will be sent to parents in the spring.

You may want to examine the school website at http://fhs.d211.org in advance of orientation sessions to learn more about academic programs, student activities and athletics, and other general information about Fremd High School.
Fremd High School values student involvement and participation in extracurricular activities including athletics, clubs, and the fine arts. These activities provide students opportunities for enrichment while also helping them to connect to their school community. All students are encouraged to join at least one of these groups during freshmen year.

Fremd High School offers over 75 unique student clubs and activities. A full list of these organizations is available on the school website at http://www.fremd.portal.rschooltoday.com.

Athletic teams are organized according to the fall, winter, and spring sports seasons.

Athletic and activity camps are part of the Fremd High School summer school program. Specific summer camp details, including instructions for accessing the rSchoolToday online registration platform, will be sent to you in the spring as part of the summer school information packet. Students must have a valid physical on file with the nurse’s office to participate in these camps.

Activity Director: Eric Dolen, 847-755-2612

Athletic Director: David Dick, 847-755-2770
ONE-TO-ONE PROGRAM

All District 211 students are provided an iPad as part of our school's One-to-One program. The iPad is assigned at the start of freshmen year and remains with the student for all four years of high school. Teachers will expect students to use their iPad to access course information and materials. Students will use the iPad to practice skills related to critical thinking, communication, collaboration, and creativity. Student iPads are configured to serve primarily as educational tools. Access to some device features, including the App Store, is controlled to minimize student distraction. Internet content is filtered both inside of and outside of the school setting to help focus students’ attention on learning tasks. Please contact Keith Sorensen, technology department chair, at 847-755-2670, if you have questions about the One-to-One program.

Families are encouraged to participate in the optional iPad protection plan. The annual $25 premium helps minimize charges to families for damages, loss, or theft. Deductible charges may apply depending upon circumstances. Full details about the iPad protection plan will be provided in June before iPads become available for pick-up by students.

DIGITAL DEMOCRACY

Fremd High School actively promotes positive and respectful use of technology by students. Our Digital Democracy program is devoted to this purpose and is designed to help students develop essential skills needed to effectively function in an increasingly digital world. We have designed activities to help students participate appropriately when using social media, to respect others’ privacy rights, to exercise personal safety while online, and to understand the impact their online behaviors may have on others.

During 9th, 10th, and 11th grades all students are introduced to these topics using a set of online modules. Each year, students independently complete 4-5 modules at their own pace and each module takes approximately 20 minutes to complete. All modules are hosted in Fremd High School’s Schoology system, which provides parents access to the modules and their children’s progress. Grade-specific details about the online modules is sent to parents in the early part of the school year.

Please contact Hamid Mehreioskouei, Assistant Principal, at 847-755-2618 if you have questions about the Digital Democracy program.

SOFTWARE SYSTEMS & USER ACCOUNTS

We use a variety of software systems to maintain student information, manage instructional tasks, and support student development. Parents and students alike have access to these systems and we encourage all parents to establish user accounts for each system.

Infinite Campus

Infinite Campus (IC) is used to manage student data such as contact information, attendance and grades, and assessment scores. The IC Parent Portal is located at https://campus.d211.org/campus/portal/township.jsp and requires parents to create a unique individualized user account. Account creation requires an activation key and all parents are sent that key during the fall of their child’s 8th grade year in anticipation of entrance to high school. Parents of transfer students will receive an activation key upon school enrollment. Parents are discouraged from sharing their IC password with their children since the parent account includes privileges unique to the parent’s role. Students have their own IC accounts.

Schoology

The Schoology portal is located at https://d211.schoology.com/login?&school=13690631. This platform helps teachers track, report, deliver, and collect instructional materials. Parents can access every course their child is a part of within Schoology after creating an account using a unique access code provided by the classroom teacher. Teachers distribute these access codes in the fall each school year.

Xello

Xello, formerly Career Cruising, is an online tool students use to develop awareness of future career paths and to create plans to achieve personal goals for life after high school. Students have the ability to share their Xello profile with their parents and we build this step into our use of the system with students. Once sharing is activated, your child will send you a link to their profile. You do not need to establish an account to access this shared profile. More information about Xello is available at https://xello.world/en/.

rSchoolToday

Fremd High School uses the rSchoolToday system to manage registration for extracurricular athletic teams, clubs, and activities. Completing the registration process requires the parent to log onto the Infinite Campus Parent Portal first. A menu of options is displayed on the left-hand side of the screen after logging in. Select Extracurricular Registration and the rSchoolToday portal will open. Follow the on-screen prompts to complete registration for the desired team and/or activity.
1. **When is the first day of school for freshmen?**

2. **Is a school supply list available so my freshman student is fully prepared on the first day of school?**
   A supply list is not issued for freshmen. Individual teachers will share details about specific supply items students will need for their classes. Students are encouraged to bring pens, pencils, folders, and notebooks on the first day of classes.

3. **How many courses do students take during 9th grade?**
   All freshmen are required to take English, math, science, and Wellness classes. Additionally, freshmen take two elective courses and have a lunch period in their daily schedule. All 9th grade students are assigned to a study hall period. Parents will be notified if their child is eligible to choose a third elective course in lieu of study hall.

4. **How do students qualify for a third elective?**
   Freshmen are eligible for a third elective based on their PSAT 8/9 scores. Students will be notified of eligibility to take a third elective class in lieu of study hall during the month of January. Student’s elective choices must be finalized by January 31, 2020.

5. **When do students receive their freshmen year daily course schedules?**
   Official course schedules will be available on the first day of school. Students will receive a tentative schedule during the summer before the start of freshman year.

6. **My child is interested in athletics. When do fall sports begin?**
   The fall 2020 sports season will begin on August 10.

7. **Where is my bus stop, and what time will the bus pick me up?**
   Transportation details including bus route assignments, bus stop locations, and pick-up/drop-off times will be sent home during the summer.

8. **When will my child receive the results of the placement exam?**
   Placement exam results will be distributed at Incoming Freshman Night on December 11, 2019.

9. **Is summer school required?**
   Incoming freshman students are individually invited to attend specific courses to assist them in developing the skills necessary for success in high school. The Incoming Freshman Academy is a mandatory summer program for select students based on their PSAT 8/9 scores. Notification regarding Incoming Freshman Academy participation will occur in January. Additionally, students may be invited to attend optional math courses based on their math placement for freshman year. Math placement is finalized in the spring; students will be notified of their recommended summer math programs at that time.

10. **I am not satisfied with my child’s results on the placement exam. Can my child retake the placement exam?**
    The placement exam, the PSAT 8/9, is not the only factor used to determine a student’s placement in core subjects. Teacher recommendations also are considered before specific courses are assigned. Retesting is not available due to exam protocols established by the College Board.

11. **Do I need to complete registration during the summer if I have already completed and submitted the enrollment paperwork?**
    Registration and enrollment are two different processes. Enrollment is completed once proof of residency, birth certificate, physical and immunization information, and enrollment form have been accepted and verified. Registration refers to the annual payment of school fees. For incoming freshmen, parents will still need to complete the registration process in the summer prior to the start of the school year. See page 2 for details.

12. **What is the Wellness class and does my freshman have to take it?**
    All freshmen are required to take Wellness as part of their 9th grade set of courses. Successful completion of the freshman Wellness course satisfies two graduation requirements: (1) a full year 9th grade Wellness and (2) the mandated Health Education curriculum as established by the Illinois State Board of Education. Students in the Wellness course split time between a classroom setting where essential concepts are explored and an activity setting where concepts are applied. More information about the Wellness course is available in the District 211 Curriculum Guide.

13. **Whom should I contact if I have questions about placement test scores, course placement, or other details about my child’s transition to high school?**
    Questions about course placement determinations and test score interpretation should be directed to the student services office at 847-755-2626. Student service staff members are available to assist the families of the Class of 2024 so that the high school experience begins on a positive note.
District 211 students are eligible to participate in the Harper College Promise Scholarship which provides up to two years (60 credit hours) of free tuition at Harper College upon high school graduation. Students can earn this scholarship by achieving quality grades in their high school courses, by having good attendance, graduating from high school on time and ready to begin college-level coursework, and by performing community service hours annually. Students apply for this scholarship during the first semester of freshman year and eligibility criteria become active during the second semester. More information about the Harper Promise Scholarship is available on the District 211 website at https://adc.d211.org/harper-promise.
The Fremd Vikings Booster Club is made up of parents, staff, alumni, and community members who support the educational experience for all William Fremd High School students. Each year, funds raised by the Viking Booster Club are awarded to a wide variety of academic departments and extracurricular programs that directly impact the entire student body.

The Boosters also support students by volunteering to plan and chaperone events including student social activities, sports awards nights, and post-prom festivities. Events and fundraising plans are already underway for the school year, but they cannot be successful without your help.

Annual membership dues to belong to the Fremd Viking Booster Club range from $25-$60. Please consider joining. If you have questions, please email fremdvikingboosters@gmail.com. Additional information also is available on the Boosters website at: http://www.fremdboosterclub.org.
