

January 12, 2024

Dear Parents of 2024 Graduates,

District 211 is providing your senior the opportunity to purchase their currently possessed school-assigned iPad at a purchase price of \$100. The purchase price includes the currently assigned iPad, cable, charging block, and case. Lost/damaged cases or accessories will not be replaced.

Purchases must be made between January 16 - May 10, 2024, and payments can be made using your MySchoolBucks account. No purchases will be allowed after ***May 10, 2024***. All outstanding school obligations must be met before the iPad purchase can be made. *Information on creating a MySchoolBucks account can be found on the District website at <https://adc.d211.org/Page/7743>.*

Once the iPad has been purchased, all District-provided apps and licenses will be staged for return to District ownership. These apps and licenses will be removed from the iPad on the school's scheduled collection date or May 24, 2024. Information regarding how to back up the iPad will be provided. Upon the student's graduation, District 211 relinquishes all responsibility for the purchased iPad and its accessories. Additionally, coverage under D211's iPad Protection Plan and technological support for the device ends.

All graduates who choose not purchase their iPad will be required to turn in the device and all accessories no later than their school's scheduled collection date, for inspection of the iPad's physical status, cable, charging block, and case. For devices covered under the District 211's optional iPad Protection Plan, Repair/replacement costs will be limited to program deductibles. Student iPads that are not covered under the District 211 iPad Protection Plan will be assessed replacement cost as described below.

iPad & Related Equipment	Non-Protection Plan Replacement Cost
iPad - 32GB Wi-Fi	\$329 for lost / stolen or \$199 flat rate repair cost

Students will have access to their school-provided email account, Google Drive account, and school-server storage drive until September 30, 2023. Access to these resources will be terminated without recourse after that date. ***NOTE: Google Drive and Email will be suspended on September 1, 2024 as an early awareness of pending account deletion. If you need access to your school Google Drive and School email between September 1st and 30th, please contact your school's technology department.***

Please contact the school's technology department at (847) 755-5761 if you have questions about iPad purchase options, repair costs or a graduate's access to school accounts.

Sincerely,

Michael Alther, Principal
Hoffman Estates High School
