Dear Parent/Guardian:

Students in the Class of 2021 were scheduled to complete the State-sponsored SAT exam in April, 2020. The exam was cancelled as a result of the State's mandatory school closure order. **Taking the State-sponsored SAT remains a graduation requirement.** The Illinois State Board of Education has established two opportunities for current seniors to meet this requirement:

1. October 2020 *or*
2. April 2021

On both testing opportunities, ***the SAT will be administered in-person at school.*** In accordance with health and safety protocols, all students coming to school will be expected to complete the District 211 at-home wellness screener prior to coming to school on the day of the exam. Students' body temperatures will be scanned upon entering the building and students must wear a face mask for the duration of time they are in school. Students will be assigned to testing rooms where appropriate social-distancing will be enforced. Click [here](#) for more information about District 211's school safety protocols, while additional information on the District 211 wellness screener is available [here](#).

In order to plan for room assignments and staff member involvement, we need to know your child's intent to take the SAT in the fall of 2020 or the spring of 2021. **Please complete a brief online form, available [here](#), to indicate your choice. The deadline for completing the online form is *September 18*.**

Please remember that **students who do not complete the State-sponsored SAT will not be eligible to receive a high school diploma.** All parents will receive more details about SAT testing in late September.

Sincerely,

Kurt Tenopir
Principal

You received this electronic communication because you provided your email address to High School District 211. Changes or updates to your email address can be made using [Infinite Campus](#). If you have questions regarding any of the information contained within this email, please call the high school for assistance with your concern.
