

FREMD HIGH SCHOOL

Information for Incoming Freshmen

Illinois School Code requires ALL incoming 9th graders to have a valid physical examination and up-to-date immunization records on file with their high school.

Additionally, ALL incoming 9th graders must provide proof of a valid oral health examination prior to May 15, 2020.

Please visit <https://il49000007.schoolwires.net/domain/3472> to see full details about these health and dental requirements, download the authorized physical examination form, download the authorized dental examination form, and learn about special rules regarding incoming freshmen and participation in summer sports camps.

School Registration cannot be completed until the 9th grade physical examination and immunization records are verified.

Contact the Health Services office at 847-755-2663 for additional information and guidance.
