Dear Parents,

You and your incoming freshman student(s) are invited to attend a high school orientation session this summer. The orientation session is designed to help ease your student's transition to high school and will last about one hour. During the orientation, one of Fremd's guidance counselors will share information about the high school curriculum, describe services that are available to students, introduce the parent and student Infinite Campus portal and Student Readiness Plan while promoting the value of a positive high school experience. The program will also include a brief building tour.

I strongly encourage you to take advantage of this opportunity to learn more about Fremd. The orientation sessions are scheduled from June 10 through July 18. *Orientation will not be held the week of July 4<sup>th</sup>.* Orientation sessions are available according to the following schedule:

Morning Sessions: Monday and Wednesday @ 9:00 AM  
Afternoon Sessions: Tuesday-Thursday @ 1:00 PM
