

July 2020

Dear Parent/Guardian,

We are excited to welcome your student to the Pirate community! Incoming freshman students are invited to attend our Annual Incoming Freshman Welcome Day on Thursday, August 6th, 2020. During this thirty-minute event, students will have the opportunity to meet and hear from Palatine Principal Tony Medina, as well as participate in a guided tour that will familiarize them with several areas of the school building.

Incoming freshman students interested in participating in the Welcome Day event will need to use the following link to sign up for a specific time to attend:

<https://www.signupgenius.com/go/9040448AEA828A5F58-phsfreshman>

This sign up will close at 3:00 pm on Wednesday, August 5th, 2020.

Palatine High School will be enforcing safety protocols during this event, including limiting participants to incoming freshman students only. All participating students will need to adhere to the procedures and safety guidelines below. Please review these guidelines prior to arriving at Palatine High School on Thursday, August 6th, 2020.

Freshman Welcome Day & Guided Tour Procedures

- Students must sign up for a time slot in order to participate in this event.
- This event is limited to incoming freshman students only.
- Students will enter at the Main Entrance of the school building.
- Students should arrive five minutes prior to their scheduled time to allow for health/temperature screening.
- This event will last approximately thirty minutes. Students will not be permitted to stay in the building at the conclusion of their thirty-minute time slot and should have transportation or other means for returning home coordinated with their parent/guardian prior to arriving at the event.

Safety Protocols

- All students entering the building for this event will have their temperature taken and must wear a mask for the duration of this event. If a student's temperature is above 100.4 degrees, they will not be permitted to enter the building.
- Students should not attend the Freshman Welcome Day event if they have been experiencing any of the following: fever, cough, shortness of breath or difficulty breathing, chills, fatigue, muscle and body aches, headache, sore throat, new loss of taste or smell, congestion or runny nose, nausea, vomiting, or diarrhea.

Sincerely,

Dr. Fred Rasmussen
Director of Student Services
