

November 2019

Dear Parent or Guardian:

Within the next few weeks, District 211 North Campus will administer the *5Essentials Survey* to its students. This school climate survey is based on over 20 years of research at the University of Chicago and asks students about their experiences in school, giving school leaders critical student input to help develop school improvement plans. The results of this survey will be reflected on the 2020 School Report Card.

Student participants will be required to log-in to the online survey using their State of Illinois student identification number and birth date in order to complete the survey. Students' identities will be completely confidential. Teachers and school administrators will never see individual responses to survey questions and will only receive aggregated information, such as the total percentage of students who agree homework assignments help them learn the course material.

More information about the 5Essentials survey is available online at <https://www.5-essentials.org/>.

If you do not want your son or daughter to participate in the 5Essentials Survey, please complete the form below and have your student return this sheet to the school's main office.

Thank you for your assistance,

Francesca Anderson
Program Administrator

DISTRICT 211 NORTH CAMPUS

5ESSENTIALS SURVEY

I DO NOT want my child to take part in the 2019-2020 Illinois 5Essentials Survey.

Student Name: _____ Student ID number: _____

Parent/Guardian Signature: _____ Date: _____
