Dear Parents and Students:

Even though today was the last day of the 2020-2021 school year, there are still learning opportunities available for District 211 students this summer. In addition to our 2021 Summer School course offerings, we are excited to announce our new [\*\*\*Summer Advancement Program\*\*\*](#). This program offers a unique opportunity for District 211 students to learn skills and content, prepare for the fall semester, and explore potential college and career pathway opportunities.

The Summer Advancement Program includes two options: *“One-Week Workshops,”* and *“Learning Enrichment Sessions.”* *One-Week Workshops* are intensive, in-person learning opportunities focused by academic areas or topics of interest. These workshops are scheduled for three hours per day, Monday through Thursday, for a total of 12 hours of engaged learning. Workshops are scheduled during the morning and afternoons at each District 211 school. *Learning Enrichment Sessions* are focused, remote learning opportunities that concentrate on a particular academic content or skill. These sessions are scheduled for two hours per day, one day a week, for six consecutive weeks. *Learning Enrichment Sessions* are scheduled in the evenings.

Registration for *One-Week Workshops* and *Learning Enrichment Sessions* can be completed through the parent portal in [Infinite Campus](#). There is no charge for participation in these unique opportunities. Questions about the program should be emailed to [summeradvancementprogram@d211.org](mailto:summeradvancementprogram@d211.org).

Sincerely,

Joshua Schumacher  
Assistant Superintendent for Curriculum & Instruction
