Dear Resident:

We wanted you to be aware of scheduled summer construction work at Conant High School.

Beginning as early as July 5, East Cougar Trail – located west of Plum Grove Road and east of Aberdeen Street – will be temporarily closed for paving improvements. These improvements also will impact the adjacent south parking lot across from the office and east parking lots at Conant High School.

The closure is anticipated to last three to four weeks, dependent on weather.

During the summer construction projects, Conant High School will be accessible by way of Thacker Street on the west side of the campus with parking available in the west and southwest parking lots. Other construction will be ongoing at Conant at the same time, so there will be areas closed off during certain construction operations.

We are hopeful this will provide minimal inconvenience.

Sincerely,

Julie Nowak
