Dear Students and Parents/Caregivers

Thursday, August 13 is the first day of classes! While this will be a unique and unusual first day, we are excited to start the school year with you!

The **first day of classes is an A-Day**. Friday, August 14 is a B-Day. Please check your schedule in Infinite Campus to determine which classes you have each day. Students and parents can check the school website and Schoology to determine if it is an A-Day or B-Day.

Block	A-Day	B-Day
1	7:30AM-8:30AM	7:30AM-8:30AM
2	8:45AM-9:45AM	8:45AM-9:45AM
3	10:00AM-11:00AM	10:00AM-11:00AM
4	11:15AM-12:15PM	11:15AM-12:15PM

Students should check their email and Schoology classes to access their Zoom codes. Teachers sent out Zoom and Schoology information to their students on either August 11 or 12. Students should use their school-issued email as the preferred method of communicating with teachers and counselors outside of class time. **Unlike the spring, teachers will take attendance at the start of a class and then again at the end of the class.** Students do not need to complete an attendance form.

Please use the following information to assist you with specific needs:

I don't have a school-issued iPad.

- Contact 847-755-5761 or email hehshelpdesk@d211.org to set up a time to pick up your iPad.

I cannot log into my school-issued iPad or am having trouble logging into Zoom/Schoology Apps.

- Contact 847-755-5761 or email hehshelpdesk@d211.org

I can't find my course's Schoology or Zoom information.

- First, check your email and see if your teacher sent it.
- Second, check your Infinite Campus Schedule. This information is located on your schedule in IC.
- If that doesn't help, call the Student Services Department at 847-755-5630 and you will be connected with your counselor who will be able to help.

My student is going to be absent.

- Parents report absences to the attendance office at 847-755-5670.

Any student who will be attending an athletic practice should fill out their wellness survey before arriving on campus or to their practice location. The wellness survey will be delivered daily to your D211 student email account.

We are excited to be connecting with you again - it's going to be a great year!
