

Dear Parents:

Preparing students for their lives after high school is one of Schaumburg High School's highest priorities. District 211 has developed the Student Readiness Plan, an online student tool, to help address this high-level need, and students are actively using the Readiness Plan as they develop individualized post-high school plans.

In our continued effort to support our communities, parents, and all of our students' readiness for adulthood, Schaumburg High School is pleased to invite parents and community members to an upcoming Community Education session for the District 211 Student Readiness Plan. The session will be on Thursday, October 4, 2018, from 7:00-8:30 p.m.

Date: Thursday, October 4, 2018

Time: 7:00-8:30 p.m.

Place: Schaumburg High School Principal's Conference Room
1100 W. Schaumburg Road, Schaumburg

Representatives from our student services department and other faculty members will provide an overview of the Student Readiness Plan. They will explain how the Readiness Plan works, how our school's guidance program is aligned with the Plan's components, and how the Plan connects to students' full-range of high school experiences. Parents will learn how to access the Readiness Plan so that they can see their child's unique plan.

Community education is important to High School District 211, and involvement will help our schools strengthen our commitment to serve all students. All sessions are open to the public and offered free of charge.

Sincerely,

Tim Little
Principal
