# Find your colors

## How to Score:

1. Total each of the four columns.
2. Your **highest total** is the color most like you and the lowest is least like you.
3. Write your colors in order here:

- \_\_\_\_\_ *(highest total/strongest color)*
- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

## Blue

- Enthusiastic, sympathetic, idealistic, flexible, supportive, affectionate, personal.
- I need to feel authentic and to look for meaning in life.
- I seek harmony in relationships and enjoy doing thoughtful things for others.
- I prefer encouragement rather than competition.
- I can see myself working in a helping profession.
- I respond best to people who are warm and friendly.

## Gold

- Loyal, dependable, prepared, punctual, faithful, organized, detail-oriented, traditional.
- I like stability and work to maintain organization.
- I believe that work comes before play.
- I tend to follow the rules and respect authority.
- I have strong sense of what is right and wrong.
- I value home, family and tradition.
- I'd like to create a life that is stable and predictable.

## Green

- Analytical, conceptual, calm, collected, inventive, problem-solver, logical, investigative.
- I am drawn to constant challenges in work and play.
- I like to develop models, explore ideas and be innovative.
- I prefer to let my head rule my heart.
- I do better in subjects that are mentally stimulating.
- I am impatient with routines.
- I like to start new projects versus finish them.

## Orange

- Spontaneous, energetic, eager, bold, charming, optimistic, physical, impactful, impulsive.
- I like careers that allow me independence and freedom while being physical.
- I like to act on a moments notice and love being in the moment.
- I need fun, variety and excitement in my life.
- I prefer competition rather than cooperation.
- I want variety in my life and shy away from plans.

# Careers in Color

**Orange**    *Things*    Are action-oriented. Highly resourceful and can sell a product, an idea or a project. Seek excitement in a job.

**Gold**    *Data*    Are realistic, thorough and efficient. Curious about new products, not necessarily new ideas or theories.

**Blue**    *People*    Are enthusiastic and imaginative. Seek to support others and provide positive, friendly energy in the workplace.

**Green**    *Ideas*    Are looking for something “new”. Like to work for themselves and avoid day-to-day routine.

# In Your Group

## Each individual

1. Share the order of your four colors.
2. Share how you are most like your top color.
3. Share how you are least like your bottom color.

## As a group

1. Complete the worksheet.
