SKILLS
for Life

@FremdFCS

@FremdFCS

If you are looking for an unconventional approach to becoming a more effective Leader.....SIGN UP FOR LEADERSHIP 4 LIFE (IN THE PHYSICAL EDUCATION DEPARTMENT).

Leadership for Life will help you grow as a person to grow as a leader.

WELLNESS FOR LIFE

Are you interested in continuing to expand your knowledge on wellness and health? Looking to become an athletic trainer, physical therapist, personal trainer, or pursue a career within the medical field? Consider taking Wellness for Life, a yearlong junior/senior elective course offered by the Wellness Department. This course will be a dual-credit course offered with Harper College that will help students earn credit towards their Associates degree while they pursue potential careers in health or medicine. Students will use both classroom and lab activities to cover topics such as physical fitness, weight management, addictive behaviors, lifestyle diseases, and stress management. Students will also develop their own individual wellness programs. Please see Mr. Kittrell in the Wellness Department if you have any additional questions.

All Fremd students are invited to join the **Fremd Choir Program!** If you like music, know friends in choir, or want to meet new people, think about joining choir. There is a spot for you - everyone is welcome! If you are in choir, you can audition for a cappella and showchoir and participate in travel opportunities, including our next trip over spring break in 2022.

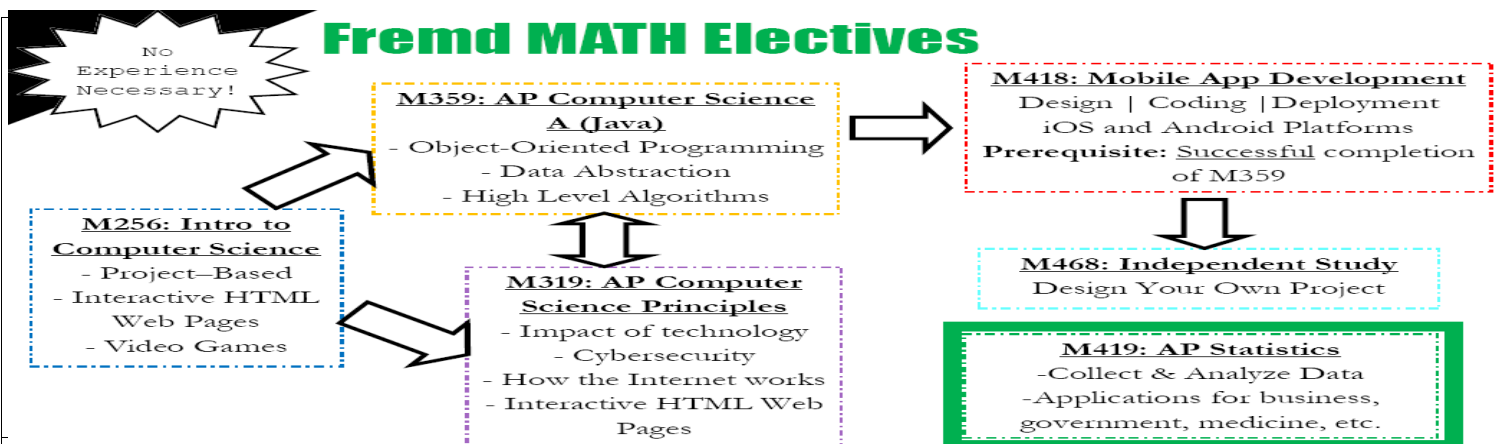

If you are interested in being in choir, please sign up for **Viking Chorale (C236)**. If you have previously been in a Fremd or outside choir, you can also set up a time to audition for one of the advanced ensembles with Mrs. Collins.

If you have any questions, please contact Mrs. Collins at collins@d211.org or stop by Room 17. For more information, visit the choir website- fremdchoirs.weebly.com. **Come join the fun!**

Electives for Juniors | 2022 – 2023

Fremd MATH Electives

The Fremd Science Department offers a number of different options for juniors to best prepare and educate students for their roles in an increasingly scientific and technological world. Please keep in mind that college bound students are highly encouraged to complete 4 years of science. Options for Junior year science are listed below. (**Please be sure to check prerequisites in the course selection guide**)

S

	369 AP Physics 1&2	

Popular college choices like Illinois, Iowa, Wisconsin-Madison, and Indiana recommend 3 or more years of **Social Studies** courses.

- Women's Studies
- World History
- World Geography
- World Affairs
- AP European History
- AP World History
- Law and the Individual
- Multicultural Perspectives
- Psychology
- AP Psychology
- AP Human Geography

"History... does not refer merely to the past... History is literally present in all that we do."
-James Baldwin

Our World Language programs include: German, Chinese, French, Spanish and Spanish for Heritage Learners.

Set yourself on the path to becoming a global citizen!

Studying a World Language can open the door to endless opportunities!

* It's an option for fulfilling a D211 graduation requirement. * Many universities require it.

* It's a high school job application booster. * Research supports its benefits.

* It helps to make travel easier. * It will enhance your future!!!!

Our Fremd World Language Department offers Dual-Credit and/or AP Courses in all our language programs.

Electives for Juniors | 2022 – 2023

Health R313

Health Occupations and Medical Terminology is an *elective course* offered to juniors and seniors that will introduce students to Health careers in the professional setting; through speakers and/or visitations of health care facilities. There will be an emphasis on Medical Terminology

Prerequisite: P242 Health Education, must be a junior or senior, must successfully completed Algebra 1 and a Biology course at a "C" level or higher, must read near grade level

One year - 1 credit

C162 Music Production

- NEW COURSE. No experience required! All students welcome.
- Learn aspects of music production and composition in a collaborative learning environment.
- Use music theory and song form through computer programming, sequencing, beat making, and audio production.
- Produce your own original music!
- Semester long course for grades 9-12.

Electives for Juniors | 2022 – 2023

Join the Fremd Bands – All instrumental musicians with past school band experience are welcome!

The Fremd Bands consist of:

- 215 total students enrolled in four bands
- Extra-curricular marching and jazz bands
- Band trips in and out of state to festivals and other large venues.
- Community performances and service.
- A fun and engaging way to keep music in your life!
- Please contact Mr. Moore (Band Director) if interested in joining: mmoore@d211.org

Do you play a stringed instrument? Make music - Join Fremd Orchestras!

Did you know that Fremd has 4 orchestras?

Level 1-Concert Orchestra (C124)

Level 2-Philharmonic Orchestra (C224)

Level 3-Chamber Strings (C324)

Level 4-Symphony Orchestra (C424)

If you have experience playing a stringed instrument, we'd love to have you join us! If you're interested, please contact Mrs. Caballero (mcaballero@d211.org) for more information.

Students can also explore elective courses by visiting the FHS Course Selection & Elective Information course on Schoology (All students should be enrolled, but just in case the access code: K3JD-W6SJ-7B2FF).
