

Viking Booster Club

Since 1970

Why you should be part of the Fremd Viking Booster Club

For over 45 years the Booster's have played a crucial role in our teen's educational success at Fremd High School. This organization provides funds to our clubs, academic & cultural activities as well as sports teams, that benefit the entire student body. We are an independent organization and do not belong to any state or national affiliations. Therefore, we are able to keep all of the funds for our students and school programs rather than paying money for state and/or national dues or fees.

All Fremd families should be Booster Club members. Basic membership is only \$25 and does not obligate you to any volunteer work or meetings. Additional membership options are available. All dues are tax deductible. Look for enrollment opportunities in this mailing, or on the NEW Fremd Booster Club website:

www.fremdboosterclub.org

In one way or another, Booster's has or will impact your child while at Fremd. Our goal is to have 100% of all Fremd families join the Booster Club. A minimal fee of \$25 goes a long way to helping ALL students.

In 2015-2016, Booster's fulfilled the **Wish List** of organizations such as the Art Department, Show Choir, Viking Theatre, Cross Country, Track, Band, Automotive Technology and many more. This year, Boosters awarded \$20,000 in Scholarships to 2017 graduating seniors. Please note, the family of the graduating senior must be a Booster member to participate in the Scholarship program.

Did you know the Booster's coordinate, facilitate and fund the following:

- Viking Booster Club Dinner Dance
- Holiday & Spring Craft Fairs
- Concessions
- Spirit Shop
- Sports Awards in the fall, winter & spring
- Homecoming and Winter fest Dance coat check
- Post Prom - a safe, chaperoned alternative for the students after Prom. Over 700 students are bused after Prom into the city for extended evening of music, dancing and hors d' oeuvres

Without your help, none of this is possible!

We need you to become a member of the Viking Booster Club today! You choose your comfort level of participation. Simply complete your membership as part of your student registration process. Or visit our website.

PLEASE CONSIDER SHARING YOUR TIME & TALENT. GO VIKES!
